**FROM** : Justin Rodriguez, Capital Project Manager, Office of the Comptroller

**SUBJECT** : **Operating Capital/Major Maintenance Carryovers** (Informational Only)

**CARRYOVER PROCESS**

On November 7, the Office of the Comptroller requested that departments submit operating appropriations (and related revenues) that they want to have carried over from 2025 to 2026. The table below lists the carryovers that were received as of December 30, 2025.

For operating carryovers of capital/major maintenance appropriations, the Office of the Comptroller provides informational reports for the January and March committee cycles. These reports summarize carryovers that have been identified by departments and list the corresponding funding sources. Any unencumbered capital outlay/major maintenance appropriations that are not submitted to the Office of the Comptroller will be lapsed.

Section 32.91 of the Milwaukee County General Ordinances states that appropriations for capital expenditures or major repair shall remain in force until the purpose for which the appropriation was made has been accomplished or abandoned.
