First celebrated in 2012, National Voter Registration Day is a nonpartisan holiday that involves thousands of organizations and volunteers working together to ensure their family, friends, and neighbors are registered to vote and ready to cast a ballot. National Voter Registration Day is the perfect opportunity to get involved no matter what party you support or which issues matter most to you.

Today, we invite you to register to vote and learn more at [NationalVoterRegistrationDay.org](https://NationalVoterRegistrationDay.org) and use #NationalVoterRegistrationDay and #VoteReady on social media to spread the word!
