MILWAUKEE CHRISTIAN CENTER
DINE OUT PROGRAM
MANAGEMENT

Please share a success from the first half of 2024.

The Dine Out Program remains a highly popular option among older adults, with increasing participation noted. A success from the first half of 2024 would have to be the addition of a new site!

Ruby J's Café joined the Dine Out Family in May of 2024, offering older adults another dining option in a different area of the city.

Please share a challenge from the first half of 2024.

As Dine Out sites become a popular socialization option for our Seniors, the challenge in the first half of 2024 is ensuring that sites aren't over capacity. The program is considering implementing a cap on attendance at specific sites due to their growing popularity.

Report on Mid-year 2024 Performance Objectives

	Goal/Actual
Objective 1: Attract and Serve an average of 8 new diners of color per month	48/495

Funding Summary

- Total Agency Budget -\$5,635,620
- ADS funding amount - \$45,000
- Percentage of agency budget – .9%
- Contract spending - \$18,338

Please share one service improvement or planned change for the second half of 2024.

A service improvement for the Dine Out program would be to solicit participation from at least one provider that specializes in Asian cuisine and another that specializes in Mexican cuisine. Such additions would more than likely increase the number of Asian and Hispanic older adults providing balance and inclusivity to all diners in Milwaukee.
