RE: County Board File No. 17-286 – County Board’s Updated Legislative Agenda

As has been my past practice, I am returning file 17-286 to you unsigned. While we agree on most of the listed items, there are places where we differ. For example, I am opposing SB19/AB57 because of the anticipated negative impacts on families.

I am appreciative of the places where we do agree and hope we can work together to make a difference on these bills:

- Supporting SB 35/AB 79, relating to mandatory reporting of child abuse and neglect by juvenile correctional officers.
- Supporting AJR 11, relating to local government mandates.
- Supporting Special Session AB 2, SB 2 relating to treatment and diversion programs and making appropriations.
- Opposing AB 127 relating to immigration status inquires.
- Supporting SB 79/AB 139 relating to County Clerks authority to copy birth certificates.

I look forward to working with you on shared priorities and policies you have outlined.
