DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Director of the Department of Health and Human Services (DHHS) is requesting authorization to assume the operation of aftercare supervision services from the State of Wisconsin Department of Corrections beginning on July 1, 2017.

B. Currently, the State of Wisconsin Department of Corrections charges the DHHS Delinquency and Court Services Division (DCSD) for the cost of the Aftercare Supervision Program. Costs have averaged about \$2.7 million over the last four years.

C. There is no fiscal effect in 2016. For 2017, it is assumed the operation of the program will be cost neutral and will reflect the current spending for the program. The 2017 DHHS Requested budget includes the creation of six Human Service Worker (HSW) positions and one HSW Supervisor position at a cost of \$336,596 beginning May 1, 2017. In addition, DCSD will execute contracts with providers for monitoring, counseling and residential care services. These contracts will be submitted to the County Board for approval prior to July 1, 2017.

D. No further assumptions are made.
