

# 2026 Wisconsin Advocacy Day

## Join us for the 2026 Alzheimer's Association Wisconsin Advocacy Day!

Tuesday, February 3rd, 2026

9:00am - 4:00pm

Join Alzheimer's advocates from across Wisconsin as we make sure that Alzheimer's and all related dementias remain a legislative priority in 2026 and beyond!

- **Advocate** for enhanced care and support services for individuals living with dementia and their caregivers.
- **Use Your Voice** to share your story, your family's experiences, and the issues facing your community with policymakers.
- **Empower** the 110,900 Wisconsinites living with Alzheimer's and the 205,000 individuals serving as their caregivers.

During our opening program at the Best Western Premier Park Hotel in Madison, you will hear from key state policymakers and take away tools to empower your advocacy efforts on behalf of all who are impacted by Alzheimer's and dementia. Then, we will walk across the street to the Wisconsin State Capitol in the afternoon, where you will meet with your state lawmakers and ask them to support our policies! Lunch is included for all participants.
