RE: A Resolution to establish in writing the standard practices of application of delinquent property tax payments by county treasurers in the State of Wisconsin already in effect.

I am submitting this resolution to you and requesting that this matter be referred to the Finance Committee.

In auditing our procedural manual, we noted the necessity of putting in writing the existing standards of practice regarding the application of delinquent property tax payments. This practice follows the precedent which was established prior to my tenure in this office and is the standard practice of county treasurers elsewhere in the State of Wisconsin.
