By Supervisors Lipscomb, Sr., Schmitt, Taylor, Shea, Johnson, Jr., and Cullen

Amend Org. Unit No. 5600 – Department of Transportation–Transit as follows:

2020 Operational Changes

This budget closes the County fund gap between farebox revenue, State/Federal assistance and actual costs through modifications to, and eliminations of, transit services with low ridership and low productivity as measured in terms of passengers per bus hour (PBH).

Bus routes and productivity statistics for routes that are eliminated in January 2020 are below:

- Route 17 Canal Street, 6.3 PBH
 - Menomonee Valley Partners (MVP) reports that Potawatomi Casino is partnering with a Transportation Network Company (TNC) for a “last-mile” solution for its workers.
- Route 219 Oak Creek Shuttle, 5.4 PBH
 - This route is in the service area of Route 80.
- Route 223 Park Place–Bradley Woods Shuttle, 2.9 PBH
- Route 276 Brown Deer Shuttle, 5.6 PBH
 - To cover this route, MCTS will adjust Route 12 to remove a one-way loop on N. 43rd St. and cover that loop with an extension of Route 35 to ensure that Route 12 can be extended northward to connect N. 60th St. to N. Teutonia Ave. in the Village of Brown Deer. The route will serve a highly used existing medical facility just east of the intersection at W. Good Hope Rd. and N. Teutonia Ave.
- Route 42U 6th Street – Port Washington UBUS, 3.9 PBH
 - As most 42U riders use the route within Milwaukee County, other routes can provide service to their destinations.
 - For the MATC students who use this service to reach their classes at the MATC North Campus, MCTS will work with the Ozaukee County Transit Service (OCTS) and Milwaukee Area Technical College to allow students to transfer from either the Brown Deer Park-and-Ride Lot to the OCTS Green

**AMENDMENT TO THE COUNTY EXECUTIVE’S
2020 RECOMMENDED BUDGET**

By Supervisor Lipscomb, Sr.

Amend Org. Unit No. 5600 – Department of Transportation – Transit as follows:

Bus Rapid Transit (BRT)

BRT focuses on faster, more frequent transit service that is easier to use in a high passenger-demand transit corridor. A pending Federal grant is anticipated to be awarded by the end of 2019. In 2020, MCTS would then begin to build stations and procure equipment with a BRT start date expected for late 2021.

Green Bus Replacement

Of the approximately 371 buses operated by MCTS, 180 of them were acquired in 2010-2012 and are nearing the end of their useful lives. These buses are likely to need replacement in the next few years. In 2019, MCTS began piloting acquisition of battery-electric buses (BEBs). In furtherance of carbon reductions to improve area air quality and combat climate change, MCTS shall study and develop a plan for the eventual replacement of its entire fleet of diesel buses with BEBs and/or electric-diesel hybrid buses as a bridge to a BEB fleet. The study shall be furnished to the County Board for consideration no later than the June 2020 meeting cycle.

This amendment would have no tax levy impact.

- Route 276 Brown Deer Shuttle, 5.6 PBH
- ~~Route 42U 6th Street – Port Washington UBUS, 3.9 PBH~~
- ~~Route 49U Brown Deer UBUS, 7.4 PBH~~

Under the heading “2020 Operational Changes:” amend the narrative:

~~Finally, to meet new demand for workers and create opportunities for job seekers, \$100,000 is budgeted towards the startup of transit services to the Amazon Distribution Center in Oak Creek, which is scheduled to open in the latter part of 2020.~~

Amend Org. Unit No. 4000 – Office of the Sheriff narrative as follows:

The MCSO contract with G4S will be extended in 2020 and the estimated increase will be \$153,699, resulting in an estimated overall contract cost of \$2,700,000. An increase in G4S staffing will be requested in order to accommodate an increase in medical appointments per week from the current 5 per week to 8 per week.

**AMENDMENT TO THE COUNTY EXECUTIVE’S
 2020 RECOMMENDED BUDGET**

By Supervisors Alexander and Moore Omokunde

Amend Org. Unit No. 4300 House of Correction (HOC) – narrative as follows:

Milwaukee County aims to enhance public safety while improving life outcomes for individuals in our care. In 2020, the House of Correction proposes to transition from the Huber work release program to electronic monitoring for eligible inmates. Under the current Huber program, inmates with low-level offenses stay at the HOC overnight but leave for jobs and other matters during the daytime. Individuals can go unsupervised for up to 16 hours before returning to the HOC. Under this proposal, individuals transferred to the EM program would reside at their homes in the community and be monitored through a global positioning system (GPS)—and in some cases a continuous alcohol monitor—24 hours per day 7 days per week. The EM program establishes conditions including home confinement, travel to work, or other commitments. Individuals must check in at least weekly with a caseworker at Wisconsin Community Services (WCS), the nonprofit that currently manages the EM program. The House of Correction will request WCS to develop reasonable accommodations to eligible electronic monitoring participants that are unable to report to WCS in person. Such accommodations may include an alternative meeting place (i.e., place of employment, home or other public place) that is convenient for the participant. The use of virtual check-ins via facetime or video conferencing shall also be explored.

This amendment would have no impact on the tax levy.

AMENDMENT TO THE COUNTY EXECUTIVE’S 2020 RECOMMENDED BUDGET

By Supervisor Alexander

Amend Org. Unit No. 1151 – Department of Administrative Services – as follows:

Strategic Overview: This program area provides overall management and guidance for the nine divisions of the Department of Administrative Services (DAS).

Expenditures in the 2020 budget are reduced primarily because the 2019 budget for this division included centralized DAS-wide funding for department salary adjustments. The 2020 budget spreads this funding amongst the applicable divisions.

1.0 FTE of Special Project Manager, which was created by File 19-505, is included in the 2020 Budget to focus on correctional health care.

DAS shall study the operational and capital feasibility of dispersing different community-based County services in two locations outside of the Downtown Milwaukee area so residents may utilize departmental services on the northern and southern sides of the County without having to drive downtown, pay for parking, and be subject to security screening. The study will examine which services may qualify for dispersion, and how different services would potentially be co-located. DAS shall furnish the study to the County Board no later than the June 2020 meeting cycle.

This amendment would have no tax levy impact.
