

## **PUBLIC HEARING NOTICE**

The County of Milwaukee is inviting citizen comments on the proposed Community Development Block Grant (CDBG) funding and HOME funding for 2017 and proposed reallocation recommendations.

Milwaukee County will be receiving 2017 federal CDBG funding totaling approximately \$1,200,000. The CDBG funding is to be shared between Milwaukee County and 15 participating municipalities. The municipal share will be allocated in accordance with Inter-Governmental Cooperation Council policy adopted for this purpose. It is proposed that the County's share be used for County-wide projects. Approximately 20% is set aside for administrative costs. Milwaukee County also will be receiving approximately \$827,000 in HOME funds to be used in 17 participating municipalities.

Milwaukee County will also be reallocating approximately \$774,000 from CDBG funding in prior years. These funds will be used for specific public facility, housing, economic development, and public service projects.

The Economic and Community Development Committee is holding a public hearing on Monday, July 18, 2016 at 9 a.m. in Rm. 201B of the Milwaukee County Courthouse to obtain the views of county citizens on the general needs of CDBG and HOME funds. Non-profit agencies are eligible to apply for these grants.
