DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. If approved, this resolution/ordinance would modify the order of business of conducting County Board Meetings as outlined in Milwaukee County General Ordinance 1.03(c). Specifically, Transit System claims are removed, and a Notice of claims is added based on prior guidance from Corporation Counsel. The Order of business is also modified to add the required appearance of County employees of officers (including the County executive) to answer questions of the County Board of Supervisors.
 - B. Adoption of this resolution/ordinance would not result in an expenditure of funds. Existing staff time would be necessary to ensure the ordinance revision was published and effectuated.
 - C. No budgetary impact results due to changes in the County Board's Order of business.
 - D. No assumptions were made.
