

Guy Johnson

MCFLS Citizen Member Candidate

Shorewood, WI 53211

Background:

- Undergraduate degree in Engineering and MBA.
- Served 20 years on Shorewood Village Board including the last 12 years as President.
- Served on Board of the North Shore Fire Department. The department is known as a great example of shared governance between several communities.
- Served as Director of the Executive MBA Program at UWM's Lubar Business School, working directly for Dr. Mark Mone who is currently the Chancellor.
- Held a number of positions at Harnischfeger Industries, including design engineer, field sales engineer, marketing manager, project director, and general manager.

In all my employment and civic endeavors, I've had extensive marketing and budgetary authority. As a side note, my initial interest in becoming a Shorewood Village Trustee back in 1998 stemmed from my interest in getting a new library building in our village.
