This Development Agreement (this “Agreement”) is made and entered into effective _____, (the “Effective Date”), by and between the MILWAUKEE COUNTY PARKS (the “County”), and AFAR, INC. D/B/A THE ABILITY CENTER (“the TAC” or “TAC”). Referenced together, County and TAC are the parties (the “Parties”) to this Agreement.

WITNESSETH:

WHEREAS, TAC is a 501(c)(3) nonprofit whose goal is to provide a higher quality of life for people of all abilities by transforming greater Milwaukee into a universally inclusive recreation destination; and

WHEREAS, since 2019, pursuant to that certain Lease Agreement effective as of March 1, 2019, by and between the County and TAC, TAC has occupied the pavilion (the “Clubhouse”) within Wisconsin Avenue Park (the “Park”); and

WHEREAS, TAC wishes to build a universal park, including a fully accessible building for the purposes of a park accessible to all (collectively, the “Project), which Project work is represented in the preliminary plans attached hereto as Exhibit A (the “Preliminary Plans”) and which work is separated into two Phases as outlined in Exhibit B, and each Phase will have a defined area for construction, which shall be attached as Exhibit C (the “Premises”); and

WHEREAS, this Agreement is for Phase I of the Project and a separate development agreement will be entered into for Phase II of the Project; and

WHEREAS, to support the desired work and achieve the desired goals, over the course of the Project, the Parties desire to enter into: (i) this Agreement for Phase I; and (ii) a separate development agreement for Phase II; and (iii) a maintenance agreement, which shall include an endowment fund; and (iv) a new lease agreement, for certain real property within the Park; and

WHEREAS, the Milwaukee County Board of Supervisors, by virtue of adopting Resolution _____ on _____, has authorized the Parks Department to enter into this agreement with TAC for and on behalf of Milwaukee County; and

WHEREAS, recognizing that the continued partnership of the Parties is beneficial to Wisconsin Avenue Park and is advantageous to both agencies, the Parties do herewith, in consideration of mutual promises and other good and valuable consideration, agree as follows:

1. USE OF THE PREMISES FOR IMPROVEMENTS: TAC shall furnish and complete Phase I through a general contractor (the "Contractor") selected by TAC and approved by County. The Parties agree that TAC shall obtain all approvals necessary for the improvements as contemplated by this Agreement.

2. CONDITION OF THE PREMISES: County makes no representation or warranty that the Premises, including but not limited to the land, electrical and other mechanical systems: (a) meet and comply with all federal, state, and local laws, ordinances, and regulations; and (b) are in workable and sanitary order and state of repair at the time of delivery to TAC. TAC acknowledges that it has been made aware by County that TAC may use the Premises on an "as-is" basis which may or may not prove to be suitable for all purposes contemplated by TAC, either now or in the future. The County shall not be responsible for performing any grading or compaction work with respect to the Premises. TAC is solely responsible for and must make adequate allowance for all excavation and disposal costs necessary for the Project including site restoration and soil relocation. TAC shall be solely responsible for procuring all property development costs, including, but not limited to, extension of utilities to the Premises. TAC hereby releases and disclaims any claim, damage, loss, injury or obligation whatsoever of the County in any way relating to or arising out of the physical condition of the Premises and the matters described in this Section 2. Such disclaimer and release shall include any action at law or in equity, whether arising out of contract or tort law. TAC further acknowledges that it has freely inspected the Premises and is aware of its general overall condition.

3. TERM: This Agreement shall commence on the Effective Date and expire on the County's acceptance of the improvements contemplated herein (the "Term"). TAC agrees: (i) to commence construction of Phase I, defined as commencement of site improvements for Phase I on or before a date that is within eighteen (18) months of the effective date of this Agreement (the "Phase I Commencement Date") for Phase I; and (ii) to substantially complete construction of Phase I within thirty-six (36) months from the commencement of construction (the "Phase I Completion Date"), or such longer period of time as may be needed to complete construction if TAC is diligently pursuing construction. If TAC fails to substantially complete construction by Phase I Completion Date (or such specified longer period of time), County shall have the right to declare a default on this Agreement, on ten (10) days written notice of the eighteen (18) month anniversary from the commencement of construction. The Phase I Commencement Date shall be the date the Right of Entry permit is issued by County for Phase I. The Phase I Completion Date shall be confirmed by the County upon the TAC's Project architect delivering certificates to the Parks Director stating that construction on Phase I has been substantially completed, and the TAC completing a final punch list of tasks as required by the County. In the event the TAC ceases construction of Phase I, other than due to a Force Majeure Delay, for sixty (60) consecutive days, such event shall be deemed a "Construction Stoppage."

4. SCOPE OF WORK: County agrees to use reasonable efforts to assist TAC in its efforts to complete Phase I. Using reasonable efforts shall not impose on County any obligation to budget or pay for the improvements to the Premises but may require County staff time and advisory support. County shall not be responsible for securing any required approvals, zoning changes, building permits or other required authorizations from regulatory or governmental

agencies, but County agrees to assist TAC in obtaining rezoning, licenses, permits or approvals, at TAC's sole cost and expense.

5. BUDGET: Prior to the construction of Phase I, Contractor or TAC will submit a final budget and proposal to County, with copy to the Milwaukee County Comptroller, for the above referenced project for approval, which approval shall not be unreasonably withheld, conditioned or delayed. The budget may be separated for Phase I and Phase II of the Project.

6. CONSTRUCTION:

a) Prerequisites. TAC plans to renovate, improve, and alter the Premises, including the construction of the improvements, are contingent upon TAC obtaining an amount of not less than one hundred percent (100%) of the estimated cost of the construction and renovation to the Premises. Proof of funding may be separated by Phase I and Phase II. Proof of 100% funding for each Phase shall be provided to Milwaukee County Parks and the Office of the Comptroller prior to the start of construction and renovation. All costs associated with the construction and renovation of the Premises, including impacts to surrounding environs and disconnection and/or hookup of Utilities in conjunction with such construction or renovation, shall be the responsibility of TAC. "Utilities" shall include, but not be limited to, sewer, water, gas, phone, internet, and electricity.

b) County Approval. Prior to the start of any construction or renovation of the Premises, including any subsequent alterations or renovations, TAC shall submit detailed construction plans and specifications to the County and to the Architecture and Engineering Section of the Milwaukee County Department of Administrative Services, together with the name of TAC's proposed Contractor(s), for review and approval, which approval shall not be unreasonably withheld, conditioned, or delayed. TAC shall ensure that review opportunities are provided to the County at 30%, 60% and 90% completion. The 30/60/90 process is outlined in Exhibit D. Submittals shall include, but not be limited to, shop drawings containing product information and materials and products shall be approved by County. Conditions for approval shall include, but not be limited to provision that TAC shall obtain and comply with, prior to commencing any alterations, additions and improvements, all necessary permits and licenses from the appropriate governmental authorities, and execution of a maintenance agreement between County and TAC, which shall include a fully funded endowment fund.

c) Construction Standards. All development and landscaping shall be completed in a first-class manner and consistent with the standards established for other work in Milwaukee County Parks. Any and all alterations, additions and improvements shall be made in compliance with all statutes, laws, ordinances, rules, and regulations of any governmental authority having jurisdiction over the Premises. TAC shall also indemnify and hold County harmless from and against all statutory liens or claims of liens of any contractor, subcontractor, laborer or any other party which may arise in connection with any alteration, addition or improvement to the Premises undertaken by or on behalf of TAC. Any structures, alterations, additions or improvements installed on the Premises by TAC (including generic signage permanently affixed to the Premises) shall become the property of County upon the expiration or termination of this Agreement. In no event shall TAC make any alterations or additions to the Premises without the prior written consent of County, which consent shall not be unreasonably

withheld, conditioned or delayed; provided, however, in the event of an emergency, such consent shall not be required so long as notice shall be given as soon as reasonably possible thereafter.

d) Builder's Risk. TAC or its general Contractor shall provide Builder's Risk insurance coverage on a completed value form insuring for special perils, with Milwaukee County as additional insured and loss payee on the insurance certificate. Coverage is during construction period and is intended to terminate when the work has been completed. Prior to construction, TAC shall supply the Parks Director with written evidence of Builder's Risk insurance. TAC shall not commence construction activities without written approval from the Parks Director and his/her designee, which approval shall not be unreasonably withheld, conditioned or delayed. The Parks Director shall provide a written response to the TAC within ten (10) days of receiving written evidence of TAC's Builder's Risk insurance documents.

e) Construction Escrow. TAC agrees to provide evidence reasonably satisfactory to the County that the total amount of funds necessary to construct the proposed renovations to the Premises are immediately available and dedicated to such purpose and documentation is in place to provide for the orderly disbursement of such funds during the course of construction to pay for all permits, material, labor, supplies, and any other miscellaneous items used or necessary for the construction of the renovations. The County agrees that a letter from the TAC's banking institution stating that TAC has such funds available for the purposes set forth above shall satisfy the requirements set forth herein.

f) Workforce Goals – Targeted Business Enterprise Participation. TAC shall use commercially reasonable efforts to ensure that Targeted Business Enterprises (“TBE”) have an equal opportunity to receive and participate in the Project and shall require that its contractors and subcontractors do the same, as required by Chapter 42 of the Milwaukee County Code of General Ordinances. TAC shall utilize commercially reasonable efforts to achieve its goal of a minimum of 25 percent (25%) TBE participation for Project costs relating to the hard construction costs and a minimum of 17 percent (17%) TBE participation for Project costs relating to professional services, in the event traditional construction methods are used. TAC's community benefits compliance plan, which will require the approval of the County's Office of Economic Inclusion, will restate these goals, outline the commercially reasonable efforts to be utilized to achieve the goals and specify the reporting requirements of TAC. Achievement of the foregoing TBE goals may be impacted by the actual available workforce across and within certain trades at the time of construction.

g) Licensed Tradespersons. TAC agrees that all renovations and improvements shall be performed by fully licensed contractors and subcontractors who shall utilize industry standard supplies, equipment, and construction methods in the performance of their duties. TAC shall require its contractors and subcontractors to obtain and maintain adequate insurance coverages with liability limits not less than that required of TAC by County. TAC shall have responsibility to enforce compliance with these insurance requirements and provide evidence of insurance for any contractor or subcontractor as acceptable to the County.

h) Construction Documents. TAC agrees that within sixty (60) days after the conclusion of each construction phase, project, renovation or improvement, TAC shall provide to County a complete set of construction documents to be included as a minimum: (a) as-built

drawings; (b) a copy of all work orders and change orders; (c) a copy of all lien-waivers; (d) operation manuals or cut sheet drawings of any mechanical fixtures or equipment which was installed; (e) manufacturer's warranties or extended warranties; (f) a copy of all construction permits and signed drawings; (g) City of Wauwatosa final occupancy permits, if applicable.

i) Permits, Licenses and Other Costs. TAC shall procure and pay the fees for all appropriate federal, state, and local licenses and permits required for its activities.

j) Removal of Equipment and Supplies. Upon expiration or termination of this Agreement, TAC shall remove, at its costs, all of its equipment, supplies, and related items from the Premises within thirty (30) days of the expiration or termination date and shall restore the Premises to a parklike condition (excepting any improvements constructed and/or performed by TAC, which may remain), reasonably satisfactory to the Parks Director or his/her designee. Damage caused to the Premises by any removal of personal property to the Premises will be repaired by TAC. If for any reason TAC does not comply in a timely manner with its obligations under this paragraph (which shall mean within thirty (30) days of the expiration of the Agreement), then the County may make such repairs or remove, dispose of, or retain such property as the County sees fit. It is mutually agreed that the County may recover from TAC any and all reasonable costs, as determined by the County, related to this Section. TAC agrees to surrender the Premises in good condition, subject to ordinary wear and tear and casualty.

k) Nondiscrimination and Affirmative Action. In construction of the Project and performance of its duties and obligations hereunder, the TAC shall not discriminate against any employee or applicant for employment race, color, national origin or ancestry, age, sex, sexual orientation, gender identity and gender expression, disability, marital status, family status, lawful source of income, or status as a victim of domestic abuse, sexual assault or stalking which shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeships. TAC will post in conspicuous places, accessible to employees, notices setting forth the provisions of the foregoing nondiscriminatory clause. TAC will use commercially reasonable efforts to implement the principles of equal employment opportunities through an effective affirmative action program, which program shall have as its objective to increase the utilization of women, minorities and handicap persons, and other protected groups in the TAC's employment at the Project for so long as it is located there, and in construction of Phase I. TAC will include this requirement in any and all contracts and subcontracts entered into under this Agreement.

7. DEFAULTS AND REMEDIES:

a. Events of Default by the TAC. Any one or more of the following events are hereby defined as, declared to be, and constitute an "Event of Default" by the TAC for purposes of this Agreement: (a) a Construction Stoppage (as defined in Section 3 hereof) by the TAC after the construction of Phase I has commenced, subject to extension for Force Majeure Delays; (b) the TAC fails to commence construction of Phase I by Phase I Commencement Date subject to extension for Force Majeure Delays; (c) the TAC fails to complete construction of Phase I by Phase I Completion Date, subject to extension for Force Majeure Delays; or (d) the failure of the

TAC to perform any other term, condition or covenant to be performed or observed by the TAC, subject to extension for Force Majeure Delays. In the event an Event of Default by the TAC shall occur, the County shall send written notice to the TAC (the "Default Notice") specifying the nature of the Event of Default in detail, and the TAC shall have ninety (90) days after receipt of the Default Notice to cure such Event of Default (or such reasonably longer period in the event such Event of Default cannot be cured in such ninety (90) day period and the TAC, upon receipt of Default Notice, promptly commences the process of curing such Event of Default and diligently and continuously pursues such cure to completion). In the event that the TAC does not cure such Event of Default within such ninety (90) day period (or such other reasonable time as necessary if such Event of Default cannot be cured within ninety (90) days and the TAC, upon receipt of Default Notice, promptly commences the process of curing such Event of Default and diligently and continuously pursues such cure to completion), the County may pursue any available remedy against the TAC, either at law or in equity, including, without limitation, the right to pursue specific performance and collect actual damages (but not consequential damages) for the TAC's failure to perform (including, without limitation, the cost to restore the site to its previous condition, the damages, if any, related to, or arising out of, the infrastructure related to the Premises and the cost of financing used to construct such infrastructure, and any guaranty thereof, any costs associated with overtime or additional labor forces in order to timely construct Phase I, and other outside fees, including reasonable attorneys' fees).

TAC agrees that damages will not be an adequate remedy at law and that the County shall have the right to an injunction or other judgment of specific performance to enforce any provision in this Agreement, the County ordinances or any other State or Federal law. Venue for such action shall be Wisconsin State Court with venue in Milwaukee County. The County shall be entitled to its reasonable attorneys' fees in any action, in which it prevails, to enforce such provisions of this Agreement, including the actual costs of Milwaukee County Corporation Counsel's office if it is the attorney for the County or reasonable attorney fees for other attorneys that may be hired by the County.

b. Rights and Remedies Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and the exercise by any party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times of any other rights or remedies for the same default or any other default by the other party.

8. COMPLIANCE WITH LAWS: TAC shall, at TAC's expense, promptly comply with all laws, rules, and regulations made by any governmental authority having jurisdiction over TAC's use of the Premises pertaining to: (a) accessibility, ensuring that the Premises and environs are fully accessible pursuant to the American with Disabilities Act of 1990 and the Architectural Barriers Act of 1968 and such accessibility is approved by the Milwaukee County Office of Persons with Disabilities; and (b) TAC's activities on the Premises. TAC shall procure, maintain, and pay the fees for any appropriate federal, state, and local licenses and permits required for its activities.

9. CLEANLINESS OF SURROUNDING AREAS: TAC shall be responsible for the collection and removal of all trash, litter and garbage associated with TAC's activities. TAC shall be responsible for maintaining the areas immediately surrounding the Premises during

construction in a state of cleanliness to prevent injuries to the public. TAC agrees not to store or accumulate unused or excess materials, supplies, or equipment which may create a hazard to the public or result in unsightly surroundings.

10. SIGNAGE AND NAMING RIGHTS:

a. Temporary Signage. TAC may display appropriate signage relating to the Project with County’s prior written consent, which may not be unreasonably withheld, conditioned, or delayed (the “Signage”). TAC hereby covenants and agrees that TAC shall, at its own cost and expense: (i) be responsible for ensuring that the Signage is in compliance with all applicable codes, ordinances, statutes, rules and regulations, including any action or rule of any landmark commission having jurisdiction; (ii) obtain and comply with all consents, approvals and permits necessary from all governmental and quasi-governmental authorities and landmark commissions having jurisdiction over the Signage; (iii) insure the Signage as part of its property and shall also carry liability and property damage insurance with respect to the Signage; (iv) ensure that the Signage is in good condition and repair; and (v) pay all costs associated with creating, designing, manufacturing, installing, cleaning, maintaining, repairing and replacing (if necessary) the Signage.

b. Naming Rights. TAC shall not sell, advertise, promise, allow, or issue naming rights to any portion of the Premises without the prior written authorization of the Parks Director, Milwaukee County Executive, and the Milwaukee County Board of Supervisors.

11. COUNTY RIGHTS OF ACCESS AND AUDIT: The Contractor, TAC, or other party to the contract, its officers, directors, agents, partners and employees shall allow the County Audit Services Division and department contract administrators (collectively referred to as Designated Personnel) and any other party the Designated Personnel may name, with or without notice, to audit, examine and make copies of any and all records of the Contractor, TAC, or other party to the contract, related to the terms and performance of the Agreement for a period of up to three (3) years following the date of last payment, the end date of this contract, or activity under this contract, whichever is later. Any subcontractors or other parties performing work on this Agreement will be bound by the same terms and responsibilities as the TAC. All subcontracts or other agreements for work performed on this Agreement will include written notice that the subcontractors or other parties understand and will comply with the terms and responsibilities. The Contractor, TAC, or other party to the contract, and any subcontractors understand and will abide by the requirements of Chapter 34 of the Milwaukee County Code of General Ordinances. Any and all County contracts and solicitations for contracts shall include a statement that the Contractor, TAC, or other party to the contract, and any subcontractors understand and will abide by the requirements of Section 34.09 (Audit) and Section 34.095 (Investigations concerning fraud, waste, and abuse) of the Milwaukee County Code of General Ordinances.

Failure to deliver written notice of such delay, with back up documentation if appropriate, shall constitute a waiver of the delayed party's right to claim an extension of its time period because of the Force Majeure Delay.

18. PARTNERSHIP: Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership, or of joint venture by the parties hereto, it being understood and agreed that no provision contained in this Agreement nor any acts of the parties hereto shall be deemed to create any relationship other than that defined in this Agreement.
