2/12/2014 7:08:15		Lenore Burger	2902 S. Pine Ave.	Milwaukee	Please Check All That Apply I oppose the Humboldt Park Beer Garden all together. I oppose the Humboldt Park Beer Garden all together.		Humboldt park already has way too much summertime activity and nowhere to park. The picnic areas are full almost every weekend with large parties, the pavilion gets rented with weddings, the tennis courts fill up, people fish in the pond, and the playground and kiddie pool are packed with kids. A MUCH better choice for the Beer Garden would be at the South Shore Marina. Lake view and parking, and along the Oak Leaf trail. Much wiser. Thanks.
