

# PLAN AHEAD...

As part of the Zoo Interchange project, the Watertown Plank Road Interchange is being reconstructed. The project team appreciates your patience, and will work diligently to inform all stakeholders about the sequence of work and specific impacts.

We look forward to working closely with you to ensure that the work is completed with the least amount of disruption as possible.

A general outline of what to expect in the coming weeks is listed below.

## Week of 10/28/13

### Watertown Plank Road

- New traffic patterns in effect east of Discovery Parkway
- Begin median removals and place base aggregate at medians
- Continue Connell Connection Road paving at Behavioral Health
- Removals at 87th Street and 92nd Street and place base aggregate and temporary pavement
- Pile driving continues at pedestrian bridge
- Traffic placed on outside lanes

### US 45 / Interchange

- Complete traffic switch on US 45
- Grading and storm sewer in northeast quadrant
- Continue pile driving at the new US 45 Northbound Bridge over Watertown Plank Road

### Frontage Road & Adjacent Parking Lots

- Parking structure Level B closure

## Week of 11/4/13

### Watertown Plank Road

- Placement of temporary pavement
- Pile driving continues at pedestrian bridge

### US 45 / Interchange

- Drill east shaft for storm sewer tunneling
- Stage 1A / 1B switch
- Continue pile driving at the new US 45 Northbound Bridge over Watertown Plank Road

### Frontage Road & Adjacent Parking Lots

- Removal of existing pavement
- Begin storm sewer work
- Parking structure Level B closure

## Week of 11/11/13

### Watertown Plank Road

- Begin work on south stair tower for pedestrian bridge

### US 45 / Interchange

- Installation of storm sewer in the SE quadrant

### Frontage Road & Adjacent Parking Lots

- Parking structure Level C closure
- Begin paving

# WATERTOWN PLANK ROAD NEWS

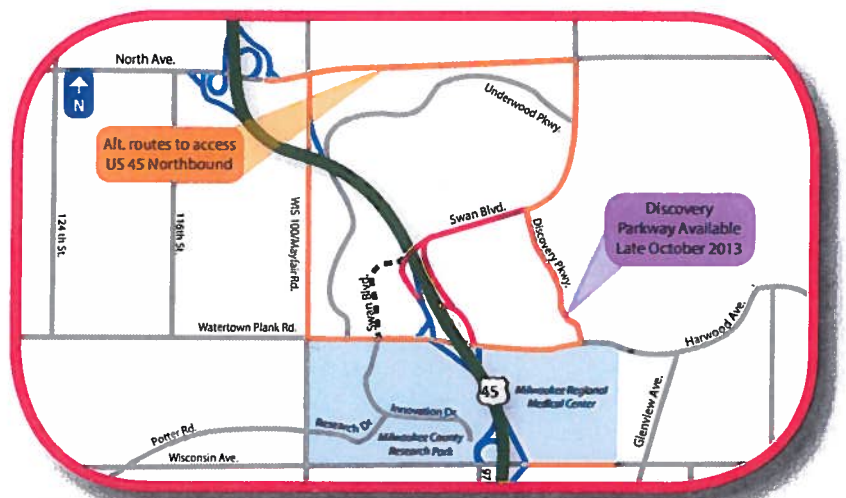

Fall 2013

## NORTHBOUND ENTRANCE RAMP CLOSING OCTOBER 12, 2013

Swan Boulevard northbound, from Watertown Plank Road to Discovery Parkway, as well as **the Watertown Plank Road northbound entrance ramp to US 45, will be closing Saturday, October 12.** The northbound entrance ramp to US 45 will remain closed until Fall 2014, as part of the Watertown Plank Road Interchange project.

Access to northbound and southbound Swan Boulevard will re-open late 2013 on the newly configured roadway west of US 45, adjacent to Innovation Drive.

As part of the Swan Boulevard reconstruction, Underwood Parkway will be closed November 4 - 15. Access will be maintained to businesses in the area.

# WATERTOWN PLANK ROAD NEWS

Fall 2013

## Watertown Plank Road Interchange/Watertown Plank Road Innovation Drive to 87th Street

As part of the Zoo Interchange Project, the Watertown Plank Road Interchange will be reconstructed from October 2013 to late Fall 2014. Work will include the full closure of Watertown Plank Road, under US 45, and all of the entrance and exit ramps.

Use US 45, Wisconsin Avenue, North Avenue, and WIS 100 to get around the closure. Local traffic on Watertown Plank Road should use the new Discovery Parkway and Swan Boulevard to access Watertown Plank Road, east and west of US 45.

**REMINDER**

Some construction activities are likely to create noise and/or dust, and some work may be conducted at night during the course of the project. Be assured that we always work hard to minimize the impact of these events, but, if you have a concern, please do not hesitate to contact us so that we can address the issue immediately.

**CHECK HERE. GET THERE.**
