Division, providing an informational report on the status of
recommendations contained in the Register of Deeds Audit Report

File Type: Informational Report

REQUEST

This report is for informational purposes. There is no request at this time.

POLICY

The Audit Service Division (ASD) conducts performance audits which provide elected officials and County management with an objective, third-party analysis of their operations to help them improve performance, reduce costs, and make informed data-driven decisions. ASD's performance audit duties are defined in s. 59.255(2)(i), Wis. Stats. and Section 34.09 of the Milwaukee County Code of General Ordinances.

Wisconsin State Statutes:	59.255(2)(i)
Milwaukee County Code of General Ordinances:	34.09

BACKGROUND

At its meeting for the March 2021 cycle, the Committee on Audit reviewed our audit report, "Former ROD's Willful Disregard for County Policies and Procedures and Cooperative Vendors Facilitate Development of a "Pot of Gold" for Improper Use of County Funds," issued in February 2021. The resolution noting County Board concurrence with the report recommendations was adopted.

Attached is a copy of the Executive Summary page that provides general information about our audit. The full audit report is available on the Comptroller's website via the following link:

We are facilitating the submission of the attached status report which has been updated

to include the Department of Administrative Services (DAS) comments describing its progress toward implementing Recommendation 8, the single open recommendation out of the ten from our audit report.

As noted in its status report update to Recommendation 8, DAS management is working on several other contract-related ordinance updates due to changes at the State and Federal government and wants to bring all changes forward together.

This status report is informational. Due to the remaining efforts required to fully implement Recommendation 8, we plan to facilitate submission of DAS management's next status report for the June 2026 committee meeting cycle, or sooner if implementation is completed at an earlier time.
