Milwaukee County Board Organizational Meeting, 2024-2026 Term

RE: Statement of Interest for County Board 2nd Vice Chair

Dear Supervisors,

I am writing to offer my official statement of candidacy for the position of 2<sup>nd</sup> Vice-Chairwoman for the Milwaukee County Board of Supervisors.

Please consider my background in leadership. I currently serve on the Intergovernmental Committee, the Milwaukee Public Library Board, The Milwaukee County Federated Library Board, I am an advisor for the Youth Commission, and I have been serving on the Greendale School Board since 2017. For the past two years, I have served as the Board President. I have spent the last three years serving on the Wisconsin Association of School Board's (WASB) Policies and Resolutions Committee.

I have two adult children, my daughter Allison and my son Tyler. My son is an Eagle Scout and I served as a leader in his troop from 2003-2020. Through my role as an Assistant Scoutmaster, I attended Woodbadge Training which is the highest level of leadership training in this organization. It is recognized as a top-rated leadership program.

I am an educator and have been teaching for over 33 years. I currently teach in Kenosha. I am also an active member of the Wisconsin Education Association Council (WEAC) as well as a member of the Kenosha Education Association (KEA). I have been serving as a representative for our delegate assembly for several years. I have worked with diverse populations of adults and students throughout my career.

In my free time, I enjoy the sport of dog mushing and am hopeful to get the entire County Board out on a dog sled ride at some point. This sport is fun but also demanding and requires good leadership skills too. I am someone who works well with others and am especially good at making sure the voice of every stakeholder is heard. I am a good listener and have a collaborative approach in all that I do which I feel is an especially important trait for someone in a leadership role.

I see my role as 2<sup>nd</sup> Vice Chair of the Milwaukee County Board of Supervisors as one in which I would support the Board and help ensure that the voice of all residents of Milwaukee County is heard at the Board table. I humbly ask for your vote for the position of 2<sup>nd</sup> Vice Chair on the Milwaukee County Board of Supervisors.

Respectfully,

Kathleen E. Vincent
