

**OUR MISSION:**

To provide people impacted by disabilities with a daily opportunity to be fit, active and healthy.

# THE ABILITY CENTER

## GIVE EVERYBODY THE GIFT OF HEALTH & HAPPINESS

The Ability Center works to provide sustainable, inclusive opportunities for people to play & recreate together

### UNIVERSAL COMMUNITY

#### Ramp Up

Through community collaboration, **Ramp Up** designs, builds and/or implements universally inclusive recreational opportunities and empowers those with disabilities through accessibility.

### ADAPTIVE PROGRAM

#### Discover Ability Open Gym

By partnering with community-based nonprofits, and parks & recreation departments, **Discover Ability Open Gym (DAOG)** provides an adaptive opportunity for people of all abilities to play together.

### INCLUSIVE EDUCATION

#### Adaptive Scholastic Athletic Program

Our school-based **Adaptive Scholastic Athletic Program (ASAP)**, hosts disABILITY awareness assemblies and inclusive physical education classes. We teach students, educators, and administrators by putting them in "a different pair of shoes" and that regardless of "ABILITY" - everyBODY is capable.
