Issue

Milwaukee County Parks requests authorization to enter into a Lease Agreement with the Beckum-Stapleton Little League Committee for use of the James W. Beckum indoor practice facility in Carver Park.

Background

The Beckum-Stapleton Little League is a 501(c)(3), nonprofit, volunteer organization that has been providing supervised baseball opportunities for youth on the Northside of Milwaukee since 1964. Since its inception the Little League has served over 24,000 youth, providing them with recreational opportunities while teaching them valuable life skills. In 1998 the Beckum-Stapleton Little League Committee entered into an agreement with Milwaukee County to build and operate an indoor batting facility in Carver Park at 901 W. Brown St. in Milwaukee. The facility was finished in 2002 and was named the James W. Beckum indoor practice facility. The lease was for ten years with a ten-year extension and expired in August of 2018. The Committee has continued to operate the batting facility on a month-to-month basis while a new lease was being negotiated.

The lease being submitted for approval is a five (5) year lease with two options to extend for one-year periods. In lieu of rent, all monies collected for use of the facility will be used to support the facility and the Little League. The County will receive fifteen percent (15%) of gross revenue from the sale of concessions at the facility. Additionally, the Committee will reimburse the county a portion of the annual utility costs as laid out in the lease agreement. All cleaning, janitorial services, and supplies will be the responsibility of the Committee while minor and major maintenance will remain the County's responsibility.
