DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A.) Approval of the request will authorize the Interim Director, DHHS, to sign a Federal Fiscal Year 2012 contract with the State of Wisconsin to provide revenue to the County to administer the Wisconsin Home Energy Assistance Program (WHEAP).

B.) The total revenue included in the proposed WHEAP contract is \$2,394,458, a decrease of \$792,696 from the FFY2011 amended contract of \$3,187,154. Because the State contract is on the federal fiscal year cycle, there is also a reduction of \$146,290 in expenditures and revenue for the last quarter of 2011. This reduction will be absorbed by a reduction to the purchase of service contracts.

C.) Entering into the WHEAP State contract will have no tax levy impact since a commensurate reduction will be made to the purchase of service contracts.

D. This fiscal note assumes expenditures cannot exceed the amounts authorized for the purchase of service contracts.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
