DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A) Section 46.09 of the Milwaukee County Code of General Ordinances requires County Board approval for the purchase of human services from nongovernmental vendors. No contract or contract adjustment shall take effect until approved by resolution of the County Board. Per Section 46.09, the Director of the Department of Health and Human Services (DHHS) is requesting authorization to increase the 2012 purchase-of-service (POS) contract with Outreach Community Health Centers (formerly known as Healthcare for the Homeless) related to increased grant funds at the Behavioral Health Division (BHD).

B) The Director, DHHS, is requesting that the purchase of service contract with Outreach Community Health Centers be increased by \$26,000 for the time frame of July 1, 2012 through December 31, 2012. The total OCHC contract for 2012 including the increase would be to a total of \$1,469,338. This is completely offset by SAMHSA grant funds therefore there is no tax levy effect. If necessary, a fund transfer will be submitted later in 2012.

C) There is no tax levy impact as a result of this action.

D. No assumptions/interpretations.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
