DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
 - A. Approval of this resolution will name the athletic fields near the Warming House in Lake Park "Horowitz Fields" after Mr. Mark Horowitz, who has actively served the soccer community in Lake Park as a volunteer, coach, and Director of the East Region of the Milwaukee Kickers Soccer Club, Inc. for many years. The Lake Park Friends group shall purchase and install a plaque on the Warming House that has an inscription and quote honoring Mr. Horowitz. The Department of Parks, Recreation, and Culture will coordinate with Lake Park Friends to ensure proper installation of the proposed plaque.
 - B. The Lake Park Friends group will be covering all costs related to the purchase and installation of the plaque, which will have no additional fiscal impact for the County.
 - C. This resolution has no budgetary impact on the current or subsequent years because any costs associated with the implementation will be addressed with private funds.
 - D. No assumptions or interpretations were made at the time this fiscal note was prepared.
