SUMMARY OF EXPERIENCE:

I began my EMS career at MedaCare Ambulance March 1988 as a full time Emergency Medical Technician providing both emergency and non-emergency transportation for the sick and injured. As a private provider, I have had the opportunity to work in both the field and inter facility settings. Throughout the years, I have diversified by performing as a dispatcher, shift supervisor, field training officer, and have served as the Director of Training and Education for MedaCare Ambulance. Currently I am the Quality Assurance and Protocol Development Manager. Additionally I serve as the WARDS representative, assurance data collection and transmission for the State of Wisconsin.
