DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Interim Director of the Department of Health and Human Services (DHHS) is requesting authorization to renew Substance Abuse and Mental Health Services Administration (SAMHSA) purchase of service and professional service contracts for the Housing Division.

Approval of this request will allow the Interim Director of DHHS to execute purchase of service and professional service contracts related to the Housing Division SAMHSA grant for the period October 1, 2017 through September 30, 2018.

B. Expenditures included in this request total \$577,503.

C. There is no tax levy impact associated with approval of this request. Funding is provided by the federal SAMHSA grant totaling \$2.4 million over three years or \$800,000 annually. The revenue and expenditures associated with these contracts are included in Housing's 2017 Budget.

E. This fiscal note assumes expenditures will not exceed the amounts authorized for these contracts.
