

Long-Term Goals

Investing

How will we maintain, support, and develop our highly skilled, high quality staff and dedicated team?

In People

How will we redevelop departmental policies toward consistent and proactive employee decision-making processes?

How will we improve internal structures of workflow communication between departments?

What is the most appropriate organizational structure for the parks?

Parks

How will we conserve, preserve and protect our natural resources and lands toward a healthy condition?

How will we optimize use of our parks and facilities?

How will we maintain and update our aging facilities to best serve our public?

How will we diversify our funding resources?

Partners

How will we best measure & evaluate our performance to achieve our mission?

How will we engage, leverage and develop both our traditional and non-traditional community partners and corporate partners/sponsors to optimize and broaden our programs and services for a lifetime?

Which community priorities and issues of quality of life will we actively invest in & communicate public value?
