File Type: Action Report

REQUEST

The Director of the Department of Health and Human Services is requesting authorization to sign Cooperation Agreements for years 2024, 2025 and 2026 designating Milwaukee County as an Urban County in order to receive Community Development Block Grant (CDBG) funds.

POLICY

The Housing and Community Development Act provides federal assistance for the support of community development and housing activities which are directed toward specific objectives.

U.S. Congress		Housing and Community Development Act of 1974 (Public Law 93-383)
---------------	--	-------------------------------------------------------------------

BACKGROUND

Milwaukee County was designated as an urban county in December of 1977. In order to be designated as an urban county, Milwaukee County was required to enter into cooperation agreements with enough jurisdictions to achieve a combined population of 200,000. Fourteen suburban municipalities signed cooperation agreements and participated in the program in 1978. In 1979, a 15th municipality was added, and in 1982, a 16th was added. The cooperation agreements must be signed every three years. The current participating municipalities are: Bayside, Hales Corners, Brown Deer, Oak Creek, Cudahy, St. Francis, Fox Point, Shorewood, Franklin, South Milwaukee, Glendale, West Milwaukee, Greendale,

Whitefish Bay, and Greenfield. The Cities of Milwaukee, Wauwatosa and West Allis each contain populations greater than 50,000 and are entitled to receive their own Block Grants.

Milwaukee County receives approximately \$1.6 million each year to conduct community development and housing activities. It is the County's responsibility to administer, coordinate, and oversee the community development program to ensure that the program is carried out in accordance with national policies and objectives.

The U.S. Department of Housing and Urban Development (HUD) is the federal agency responsible for allocating funds and monitoring compliance with national policies and objectives. Administrative costs, as required by HUD, can only reflect less than 20 percent of the grant. The remainder of the grant is divided equally between the County and the participating municipalities. The County's half of the grant is used to fund activities designed to meet needs which are generally Countywide in nature serving the participating jurisdictions. The other half of the grant is reserved for the participating municipalities to conduct activities designed to meet specific local needs. All projects must meet the National Objectives of the Act.

Federal Housing and Urban Development (HUD) regulations require the local governing body (Milwaukee County) to enter into cooperation agreements with enough jurisdictions for years 2024, 2025, and 2026, to achieve a combined population of 200,000. Section V.B. of the U.S. Department of Housing and Urban Development Notice CPD-23-02, governing cooperation agreements for urban counties under above referenced programs, requires a statement from a participating county's legal counsel that the terms of the agreement are fully authorized under state and local law. Similar to past years, Corporation Counsel prepared the agreement and will be providing the required legal opinion. The last cooperation agreement for years 2021, 2022 and 2023 was signed in 2020. The current cooperation agreement for years 2024, 2025, and 2026 is similar to the previous cooperation agreements the municipalities signed (see Attachment 1).

ALIGNMENT TO STRATEGIC PLAN

This action item aligns with strategic plan objectives 2A (Determine what, where, and how we deliver services to advance health equity) and 3A (Invest "upstream to address root causes of health disparities).

RECOMMENDATION

The Director, Department of Health and Human Services, recommends the Milwaukee County Board of Supervisors grant authorization to sign Cooperation Agreements for years 2024, 2025 and 2026 designating Milwaukee County as an Urban County in order to receive Community Development Block Grant (CDBG) funds.

FISCAL EFFECT

A fiscal note is attached.

TERMS

The Cooperation Agreement is effective for three years years commencing the day of execution and continuing through the entire program years of 2024, 2025, and 2026 and for such additional time as may be required for the expenditure of program income received and of funds granted.
