(ITEM ) From the Director, Department of Parks, Recreation, and Culture, requesting authorization to apply for one or more Wisconsin Citizen-based Monitoring Partnership Program grants, by recommending adoption of the following:

**A RESOLUTION**

WHEREAS, Wisconsin Citizen-based Monitoring Partnership Program grants are made available through a partnership between the Wisconsin Department of Natural Resources and the Wisconsin Citizen-based Monitoring Network; and

WHEREAS, the Department of Parks, Recreation, and Culture (DPRC) would apply for the maximum \$5,000 award; and

WHEREAS, the DRPC Natural Areas Program would like to implement a citizen-based ephemeral wetland monitoring program within the Root River Watershed; and

WHEREAS, if awarded, funds will be used to purchase monitoring kits for volunteers; and

WHEREAS, DPRC staff will provide training to volunteers that will include sampling techniques, identification, inventories, and funnel trapping; and

WHEREAS, the data collected will be incorporated into the DPRC Ecological Restoration and Management Plans and will be used to guide current and future land management practices regarding ephemeral wetlands; and

WHEREAS, there is no match required for this grant; now, therefore,

BE IT RESOLVED, the Milwaukee County Board of Supervisors hereby authorizes the Department of Parks, Recreation, and Culture to apply for one or more Wisconsin Citizen-based Monitoring Partnership Program grants.
