## DESCRIPTION OF FISCAL EFFECT

## In the space below, you must provide the following information. Attach additional pages if necessary.

A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.

The approval of the requested action will allow the Director and Chief Information Officer of the Department of Administrative Services – Information Management Service Division (DAS-IMSD) to waive of Section 9.05 (3) (a) of the Ethics Code. This waiver will allow former Correctional Officer 1, David Siejkowski, to perform work for Milwaukee County as an employee of Johnson Controls, Inc.

B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.<sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.

Approval of this resolutions has no direct County fiscal impact and does not require the expenditure of any funds.

C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.

Approval of this resolution has no budgetary impact.

D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
