## DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
  - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
  - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
  - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- 
- A. Approval of this resolution/ordinance would modify Sections 108.02 to 108.04 of the Milwaukee County Code of General Ordinances to reflect recent County reorganization in the [2022 Recommended Budget](#) and the County's strategic plan, and require County departments to report to the County Board of Supervisors regarding what the department's goals were for that year, why certain metrics were chosen as goals and how they align with the County's racial equity ordinance and strategic plan, the status of annual goal achievement and analysis thereof, and the status of the department's department-level strategic plan, how the department's strategic plan conforms to the County's strategic plan, and goal-setting for the subsequent year based on the previously listed criteria.
  - B. Adoption of this resolution/ordinance would not result in an expenditure of funds. Existing staff time would be necessary to ensure the ordinance revision is published and effectuated.
  - C. There would be no budgetary impact results stemming from changes to Section 108.04 of the Milwaukee County Code of General Ordinances.
  - D. No assumptions were made.
