7. **Construction or Mechanics Liens.**

(a) Grantee shall not suffer or permit any construction or mechanics' liens to be filed, or if filed, to remain uncontested, against the fee of the Easement Area, nor against the Grantee's interest in the Easement Area, by reason of work, labor services or materials supplied, or claimed to have been supplied, to the Grantee or anyone holding the Easement Area, or any part thereof, through or under the Grantee; and nothing contained herein shall be deemed or construed in any way as constituting the consent or request of the County, express or implied, by inference or otherwise, to any contractor, subcontractor, laborer or material man for the performance of any labor or furnishing of any materials, for any specific improvement, alteration or repair of or to the Easement Area or any part thereof, nor as giving the Grantee any right, power or authority to contract for or permit the rendering of any services or the furnishing of any materials that would give rise to the filing of any mechanics' or construction liens against the fee of the Easement Area. If any such lien is filed, the Grantee shall immediately cause the same to be discharged or released or shall upon request provide adequate and acceptable security or bond to protect the County's interest.

(b) If any such construction or mechanics' lien shall at any time be filed against the Grantee's interest in the Easement Area, the Grantee covenants that it will promptly take and diligently prosecute appropriate action to have the same discharged by payment, bonding or otherwise. Upon the Grantee's failure to do the foregoing, the County may take such action as may be reasonably necessary to protect the County's interest, in addition to any other right or remedy which it may have. Any amount paid by the County in connection with such action shall be repaid by the Grantee to the County upon demand, together with interest thereon at the rate of twelve percent (12%) per annum.

8. **Special Conditions.**

(a) No exterior storage of materials, equipment or vehicles is permitted on the Easement Area, except the temporary and orderly placement of items in conjunction with construction, maintenance, repair, replacement, or removal activities.

(b) Grantee shall be responsible for maintaining the Sewer Facilities.

(c) Any modifications to the Sewer Facilities shall be subject to the written approval of the Parks Director and any other required governmental approvals.

(d) The Sewer Facilities shall remain the exclusive property of the Grantee.

(e) The Grantee shall in no way encumber, or allow to be encumbered, the County's title to the Easement Area.

(f) The Grantee shall, at its own expenses, keep and maintain the Easement Area in a presentable condition consistent with good business practice. Whether during installation, ongoing repair and maintenance, or removal of the Sewer Facilities, the Grantee shall repair, replace, restore, reseed, and/or replant topsoil, grass, shrubbery, or other plantings lost, damaged, or destroyed in the course of the Grantee's work. The restoration of any disturbed surface area shall be done in a timely and good workman-like manner immediately following the Grantee's work, subject only to weather conditions. Restoration shall be done to a condition satisfactory to County Parks staff, but not less than the condition that existed before the initial installation of the Sewer Facilities.

(g) The Grantee shall contact Diggers Hotline, the Park Maintenance Division of the Milwaukee County Parks, and all applicable municipalities prior to commencing any construction to verify all pertinent easements and existing utility locations with the Easement Area. Punitive damages will be charged, if easement are not strictly adhered to, for addition personal charges and subsequent property damages.

(h) Grantee shall secure and pay for all permits required by any governing body or agency, including but not limited to, the Milwaukee County Parks before any substantial construction, repair or maintenance work commences. All Grantee construction, operation and repairs of the facilities installed within the Easement Area shall be completed at no expense to the County.

9. **Indemnification and Insurance.**

(a) Except as otherwise provided, County and Grantee shall be responsible for the consequences of their own acts or omissions and those of its employees, boards, commissions, agencies, officers and representatives and be responsible for losses, claims, liabilities, which are attributable to such acts or omissions.

(b) In furtherance hereof, Grantee also hereby agrees to the fullest extent permitted by law, to indemnify, defend and hold harmless, the County and its agents, officers and employees, from and against all loss or expense including costs and attorney's fees by reason of liability for damages including suits at law or in equity, caused by any wrongful, intentional, or negligent act or omission of the Contractor, or its (their) agents which may arise out of or are connected with the activities covered by this Easement.

(c) Grantee shall, to the full extent provided for under any environmental laws, rules and regulations, be responsible for any repair, cleanup, remediation or detoxification arising out of any hazardous materials brought onto or introduced into the Easement Area or surrounding areas by Grantee, its agents or guests. Grantee shall indemnify, defend and hold County harmless from any liability, cost, damage, claim or injury (including reasonable attorney fees) arising therefrom.

(d) Grantee shall, at its own cost and expense during the term of this Easement, keep the Facilities insured against loss or damage by fire and such other contingencies included in an all-risk insurance policy covering the cost of the Facilities. Grantee shall also, during the entire term of this Easement, keep in full force and effect a policy of commercial general liability insurance with respect to Grantee's activities in and around the Easement Areas in an amount of not less than \$1,000,000 combined single limit. Grantee shall also maintain insurance coverage for worker's compensation claims as required by the State of Wisconsin, including employer's liability. Coverages shall be placed with an insurance company approved by the State of Wisconsin and rated "A" per Best's Key Rating Guide. Milwaukee County, as its interests may appear, shall be named as an additional insured and be afforded a thirty (30) day written notice of cancellation or non-renewal. Disclosure must be made of any non-standard or restrictive additional insured endorsement, and any use of non-standard or restrictive additional insured endorsement will not be acceptable. A certificate indicating the above coverages shall be submitted for review and approval by the County for the duration of this Easement. Additional information as to policy form, retroactive date, discovery provisions and applicable retentions shall be submitted to County, if requested, to obtain approval of insurance requirements. Any deviations, including use of purchasing groups, risk retention groups, etc., or requests for waiver from the above requirements shall be submitted in writing to the County for approval prior to the commencement of activities under this Agreement. The insurance requirements contained within this Agreement are subject to periodic review and adjustment by the County Risk Manager.

10. **Assignment and Subletting.** The Grantee shall not assign this Easement nor sublet the Easement Area, or any portion thereof, without the prior written consent of the County. Said consent may be withheld at the sole discretion of the County, but shall not be unreasonably withheld. Before an assignment shall be effective, any assignee shall assume in writing all obligations of the Grantee under the terms and conditions of this Easement.

11. **Revocation and Termination.**

(a) The County shall have the right, at its sole option, to declare this easement void, revoke the same, reenter and take possession of the Easement Area under the following conditions:

(1) By giving the Grantee thirty (30) days written notice, upon or after any one of the following events:

(i) The abandonment by the Grantee of the Easement Area.

(ii) The use of the Easement Area for an illegal purpose.

In the event of revocation under this Subparagraph, the County shall retain any Easement Fee that has been prepaid.

(2) By giving the Grantee thirty (30) days written notice specifying the nature of the default in the event the Grantee defaults in the performance of any term or condition of the easement other than those as set forth in Subparagraph 15(a)(1). Notwithstanding the foregoing, if such default is not a health or safety violation and cannot, because of the nature of the default, be cured within said thirty (30) days, then the Grantee shall be deemed to be complying with such notice if, promptly upon receipt of such notice, the Grantee immediately takes steps to cure the default as soon as reasonably possible and proceeds thereafter continuously with due diligence to cure the default within a period of time which, under all prevailing circumstances, shall be reasonable. In the event of revocation under this Subparagraph, any prepaid Easement Fee shall be prorated on a per diem basis and refunded to the Grantee.

12. **Rights Upon Revocation or Termination.** Upon the revocation or termination of this easement for cause, the Grantee's rights in the Easement Area and its obligations hereunder (except any obligations that by their nature or by their language survive termination) shall cease, and the Grantee shall immediately surrender the Easement Area, subject to the provisions of Paragraph 16.

13. **Compliance.** The Grantee shall observe and promptly and effectively comply with all applicable statutes, rules, orders, ordinances, requirements and regulations of the County, the State of Wisconsin, the federal government and any other governmental authority having jurisdiction over the Easement Area.

14. **Hazardous Substance Indemnification.** The Grantee represents and warrants that its use of the Easement Area herein will not generate any hazardous substance; and that it will not store or dispose on the Easement Area, nor transport to or over the Easement Area, any hazardous substance in violation of any applicable federal, state or

local law, regulation or rule. "Hazardous substance" shall be interpreted broadly to mean any substance or material defined or designated as hazardous or toxic wastes, hazardous or toxic material, hazardous or toxic radioactive substance, or other similar term by any federal, state or local environmental law, regulation or rule presently in effect or promulgated in the future, as such laws, regulations or rules may be amended from time to time; and it shall be interpreted to include, but not be limited to, any substance which after release into the environment will or may reasonably be anticipated to cause sickness, death or disease.

15. **Removal and Disposal of Sewer Facilities.** Upon the revocation or termination of this easement, the Grantee, at the Grantee's sole cost, shall remove from the Easement Area all of the Sewer Facilities installed by the Grantee that are located above ground, however, underground facilities will be allowed to be abandoned in place. The Grantee shall also repair any damages it causes to the Properties to a condition equivalent to that which existed prior to the date that the Grantee first occupied the Easement Area. Removal of Sewer Facilities and repair of the Properties shall be accomplished within sixty (60) days of revocation or termination of the easement, except as may be adjusted by the County to allow for winter conditions. The termination of this easement shall not become effective until removal and repair have been accomplished to the satisfaction of the County; however, during such removal and repair period the Grantee's right to use the Easement Area shall be limited to removal and repair activities. In the event the Grantee fails to accomplish said removal and repair, the County may cause the removal and repair to be accomplished at the Grantee's expense and with no liability or cost to the County. The County may waive or alter this removal and repair requirement if, at its sole discretion, it so chooses. Any such waiver or alteration shall not reduce the time allowed for the removal or repair activities or place conditions on the Grantee which are greater than those provided in this Paragraph.

16. **Easement Area Required by Eminent Domain.**

(a) In the event the Easement Area or any part thereof shall be needed either permanently or temporarily for any public or quasi-public use or purpose by any authority in appropriation proceedings or by any right of eminent domain, the entire compensation award therefore, including by not limited to, all damages and compensation for the diminution of value of this Easement, and the reversion and fee interests, shall belong to the County without and deduction there from for any present or future estate of the Grantee, and the Grantee hereby assigns to the County all of its right, title and interest to any such award. However, the Grantee shall have the right to recover from the condemning authority such compensation as may be separately awarded to the Grantee for moving and relocation expenses.

(b) In the event the whole of the Easement Area or any part thereof shall be taken or condemned so that the balance cannot be used for the same purpose and with substantially the same utility to the Grantee as immediately prior to such taking, this Easement shall terminate upon delivery of possession to the condemning authority and any Easement Fee that has been prepaid for the period following the termination shall be prorated on a per diem basis and refunded to the Grantee unless the Grantee will receive compensation for any prepaid Easement Fee from the condemning authority.

17. **Right of Entry.** The County or its representatives shall have the right to enter upon the Easement Area (but shall not have access to the Sewer Facilities without prior notice to the Grantee or without allowing the Grantee to have its representative accompany the County) at any reasonable time for the following purposes:

(a) In accordance with the Use provision in Paragraph 3.

(b) To make any inspection it may deem expedient to the proper enforcement of any term or condition of this Easement.

(c) For the purpose of performing work related to any public improvement, provided that the County restores the Easement Area to a condition equivalent to that which existed on the date the County initiated the installation of the public improvement. The Grantee agrees to hold the County harmless for any loss of access to the Easement Area by the Grantee, which may occur during the period of installation of the public improvement.
