DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Approval of this resolution requests the Office of Equity, working in conjunction with the Office of Corporation Counsel, Department of Administrative Services – Procurement Division, and others such as the Racial Equity and Contracting Workgroup, to develop a methodology and procedures to collect social justice information from vendors seeking County contracts. It also requests a report to the County Board of Supervisors no later than the July 2022 meeting cycle on the ability to collect social justice information on various types of contracts and recommendations on how the information can be collected and disseminated to decision makers prior to the approval of contract awards.
 - B. There are no direct costs related to this resolution. An expenditure of staff time would be required to provide a response.
 - C. There are no budgetary impacts in 2022 or subsequent years.
 - D. No assumptions were used.
