This meeting, or at least be this point, should be postponed until the actual community of Milwaukee actually gets a head up about this meeting and has a chance to attend. It is snakelike of you to attempt to pass something that will directly affect so much of the people in Milwaukee, disproportionately Black people especially, without any input from the people. However if you do decide to go along with this I believe it is only fair to include that any footage related to use of force be released, uncut, within 48, hours.

Hello

in regards to use of force incidents/misconduct involving police - all footage should be released within 48 hours and names of officers involved be released within 24. The citizens of Milwaukee County should have this kind of transparency at the very least.

Please table any items regarding body camera footage until next finance committee meeting.
