From: Jennifer L. Folliard, Director of Audits
Subject: Status Report – The Rock Audit (File No. 21-760)

At its meeting in the October 2021 cycle, the Committee on Audit reviewed our audit report, “Between The Rock and a Hard Place: Former Landfill Becomes Entertainment Center with Unresolved Community Concerns Beyond the County’s Ability to Solve,” and the resolution indicating County Board concurrence with the report recommendations was adopted.

Attached is a copy of the “ASD Highlights” page for general information about our audit. The full audit report can be accessed on the Comptroller’s website via the following link:

[The Rock Report \(milwaukee.gov\)](http://milwaukee.gov)

We are facilitating submission of the attached status report. The status report contains comments from departmental management that describe its progress toward implementation of the eleven audit recommendations from our audit report. Based on these comments, we consider four of the recommendations to be closed and we plan to continue our follow-up on those that remain open.

Given the remaining efforts required to implement the open recommendations, we will facilitate the submission of management’s next status report for the December 2022 committee meeting cycle.

This status report is informational and we request that you refer it to the Audit Committee.
