DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Combined Court Related Operations is seeking authorization to temporarily waive the Section 9.05(3)(a) of the Milwaukee County Code of General Ordinances for 24 months (approximately June 2022 through June 2024) to allow retired Deputy Court Clerks to return on a temporary contract basis to work within the Office of the Clerk of Circuit Court to assist with a backlog of Small Claims and Criminal Court hearings and case processing.
 - B. Milwaukee County received ARPA (American Rescue Plan Act) funds (\$15,879,000) from the State of Wisconsin for the purposes of expanding court operations. By resolution, Milwaukee County is authorized to process \$14,719,000 to the Combined Court Related Operations, for the purpose of expanding courthouse operations and to address the criminal case backlog, and to establish a pilot night court program.
 - C. The Combined Court Related Operations will be receiving ARPA funds to cover this request. Therefore, there will be no fiscal impact to the operational budget.
 - D. The Combined Court Related Operations' only assumption and interpretation relates to the ability to use said ARPA funds for the purpose requested.
