DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. Combined Court Related Operations is seeking authorization to extend an Agreement, on which was entered into on October 19, 2016, for the provision of professional services for the collection of court-ordered judgments and tax refund intercept processing. The Agreement's initial term was three (3) years, with two options to renew at two (2) years each. The final extension is set to expire on May 31, 2022. The County is in the process of issuing an RFP for Collection Service, and plans to award a contract in 2022.
- B. There will be no budgetary impact associated with this requested authorization. The current vendor is paid (their commission) from the net proceeds from the monies collected.
- C. There will be no fiscal impact to the operational budget.
- D. There are no assumptions or interpretations utilized to provide the required information.
