DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

- A. Combined Court Related Operations and the Chief Judge is seeking to accept Eviction Diversion Initiative Grant funds from the National Center for State Courts. EDI offers state and local courts an opportunity to learn from and improve upon pandemic-era best practices and to create permanent changes to high-volume, high-impact eviction dockets. The initial award is for two years with the potential for third and fourth year funding.
- B. Milwaukee County received funds from the National Center for State Courts (\$119,907) and will receive the additional funds in Year 2.
- C. The Combined Court Related Operations has received funds to cover all expenditures for the current budget year. Therefore, there will be no fiscal impact to the operational budget.
- D. There are no assumptions or interpretations relating to this request.
