PROGRAM OVERVIEW

- The Senior Center offers social, nutritional and transportation services to Milwaukee County residents, 60 years of age and older. We offer services at the Senior Center five days a week, including a wide array of social and recreational activities designed to keep older adults living active, healthy lives.

Please share a success from the first six months of 2022.

- Being able to safely keep our Senior Center open while adding additional activities that were not offered the last 2 years. Like more in person events to connect our seniors to resources, outings and dances.
- We continue to add brand new participants. So far this year there has been 50 brand new registrations.

Please share a challenge from the first six months of 2022.

- The mask mandates when COVID cases go up are hard for people. Specially after feeling like things are going back to normal and we have to go back to masking. But even with that our seniors continue to follow all protocols to ensure they can continue to come to the center everyday.

Please tell us about your plans for the rest of the year.
