**Type of placement with the Division of Juvenile Corrections**

As of August 4, 2022, there are a total of 44 boys at Lincoln Hills (17 on SJO orders and 27 on regular DOC commitments). There are four girls at Copper Lake (all on regular DOC Commitments). There were 13 youth at MJTC (7 on SJO orders and 6 on regular DOC commitments).

Milwaukee County took over the Aftercare supervision from the State of Wisconsin effective July 1, 2017 for all non-SJO youth. All DOC-DJC youth placed in the community were assigned to a CYFS Human Service Worker who provides supervision and case management for the youth and their families. The youth are all receiving appropriate services in the community

including, but not limited to, GPS monitoring for the initial 30 days or more in the community, intensive monitoring, clinical services, etc.

As of August 26, 2022, there were five youth on Aftercare in the community. Of those youth, two were placed in-home, one in Detention and one placed out of the home. As of the time of this report, one youth was missing, and a Capias/apprehension request had been issued.

Over the last several years, the average daily population (ADP) of Milwaukee County youth in Lincoln Hills, Copper Lake Schools and MJTC had been falling steadily since 2015 and fell to its lowest level of 20 in December 2021. However, beginning in early 2022, the number of youth sentenced to corrections started to rise. The ADP for July is 38.5 which represents an increase of 85% compared to the ADP in December.

### **ALIGNMENT TO STRATEGIC PLAN**

DHHS continues to work toward transitioning youth out of Lincoln Hills and Copper Lake Schools. DYFS has been leveraging its resources toward the ongoing development of community-based programming for justice-involved youth and their families through three innovative initiatives, all of which support the zero-youth corrections plan. All of these initiatives are occurring in the Milwaukee community and are focused not only on the youth but also their families. This programming meets the youth where they are in unique ways that are individualized to their needs.
