

COUNTY OF MILWAUKEE
Inter-Office Communication

Date: November 7, 2022

To: Marcelia Nicholson, Chairwoman, Milwaukee County Board of Supervisors

From: Shakita LaGrant-McClain, Director, Department of Health and Human Services

Subject: Report from the Director, Department of Health and Human Services, requesting authorization to enter into a 2023 contract with the State of Wisconsin for Social Services and Community Programs

File Type: Action Report

REQUEST

DHHS is seeking approval of its 2023 Social Services and Community Programs (State/County) contract which reflects a total of \$17,127,720 in revenue to support a variety of programs and services across the department. The county cannot receive 2023 revenues from the State until this contract is signed.

POLICY

Section 46.031 of the Wisconsin Statutes requires counties to execute an annual contract with the State Department of Health Services (DHS) for "Social Services and Community Programs." The contract, also referred to as Community Aids, provides State and Federal funding for services provided by DHHS to persons with disabilities and their families, older adults as well as those in need of community support and prevention services as mandated by State and/or Federal law.

In addition, under Milwaukee County Ordinance 59.52(31), departments must obtain authorization from the County Board in order to execute contracts in excess of \$300,000.

Wisconsin State Statutes:	46.031
Milwaukee County Code of General Ordinances:	59.52(31)

BACKGROUND

The single largest revenue source for DHHS are State and Federal funds that are forwarded to the department under the Social Services state contract, commonly referred to as “Community Aids.” Revenues identified in this report fund programs in Aging and Disabilities Services (ADS), Behavioral Health Services (BHS) and Housing Services. Revenues related to BHS are approved separately by the Mental Health Board.

DHHS also holds separate contracts with the State Department of Administration for the operation of the Wisconsin Home Energy Assistance Program (approved under File 18-634) and the Department of Children and Families (DCF) for Youth Aids.

Community Aids – Basic County Allocation (BCA)

The Basic County Allocation (BCA) is a type of block grant provided to counties that is not earmarked to serve a specific target population. Counties can determine how much funding to provide to each of the populations eligible to be served with these funds: persons with developmental disabilities, physical disabilities, mental health issues and older adults.

The allocation is funded with 81 percent general purpose revenue (GPR), 12 percent Federal Social Services Block Grant (SSBG), and 7 percent Federal Temporary Assistance for Needy Family (TANF) funds. The preliminary 2023 basic county allocation award level is based on the estimated Federal Fiscal Year (FFY) 2023 SSBG award level; the actual award level depends on action by Congress for the FFY 2023 federal budget.

The 2023 DHHS Budget includes \$5,350,309 of BCA for ADS and Housing Services. The actual State allocation is \$5,381,228 which is about \$30,919 more than budgeted.

Background on Earmarked Revenue Sources

The State’s Social Services contract also contains revenue of \$11,746,492 that is earmarked to specific programs. Compared to the 2023 Budget, this amount is about \$1,552 higher in the State contract.

Please see the attached table which provides an itemization of all of the grants under this contract.

ALIGNMENT TO STRATEGIC PLAN

This request aligns with the goal of enhancing the County’s fiscal health and sustainability. The revenues contained in the Social Services and Community Programs Contract are a significant source of funding for DHHS allowing it to operate programs and services that are vital to our participants.

RECOMMENDATION

It is recommended that the Milwaukee County Board of Supervisors authorize the Director, Department of Health and Human Services, to execute the 2023 Social Services and Community Programs contract with the State Department of Health Services, and any addenda to this contract.

FISCAL EFFECT

The 2023 State Social Services and Community Programs contract which includes BCA and earmarked revenues totals \$17,127,720 and reflects a net increase of \$32,471 compared to the 2023 DHHS Budget. Similar to previous years, the 2023 contract for Social Services and Community Programs requires a match amount of \$3,565,149 which is included in the 2023 Budget. A fiscal note form is attached.

TERMS

The contract is effective January 1, 2023 to December 31, 2023.
