

MILWAUKEE COUNTY JOB EVALUATION QUESTIONNAIRE

This form is designed to assist you in describing your departmental job. You are asked to fill this form out to outline the essential duties and responsibilities; and identify the knowledge, skills and abilities required to successfully perform the job. This form is used to request new job classifications, review current classifications, reclassifications, and general updates to the job description. *Note:* It is the job that is being evaluated, not the position/incumbent. Thank you for your cooperation.

GENERAL INSTRUCTIONS:

Department (High Org):

1. Before beginning, please look over the entire questionnaire. Each question should be answered completely and accurately. If a question does not apply to this job, please indicate "N/A" (Not Applicable).

Division (Low Org):

5062

Email: KDOANE@MITCHELL VIDBODT COM

2. To complete the questionnaire, please type and/or select your responses.

Namo: Kovin M. Dovno

5040

3. If you wish to make additional comments, please use the space available in the "Additional Comments" section on page 6 of this questionnaire.

Decis	ion-Making: Please select only one of the following:					
	Requires minimal decision-making responsibility.					
	Regularly makes decisions involving how a project or operation will be conducted (i.e. sequence or method), and generally from an	_				
	available set of alternatives or precedents.					
	Regularly makes decisions of responsibility, involving evaluation of information. Decisions may require development or application of	_				
	alternatives or precedents.					
	Regularly makes significant decisions and final results, typically affecting the entire department. Available guides or precedents are limited.	-				
	Has authority over the allocation of resources.					
	Significant responsibility for decisions and final results, affecting more than one department or a department with multiple units.	_				
	Substantial analysis is required and many factors must be weighed before a decision can be reached.					
	Major responsibility for decisions and final recommendation, which may result in the formulation of strategic plans of action to achieve the	٦				
	broad objectives for the organization.					
	Primary work responsibility involves the long-range future including the scope, direction and goals of the organization.	_				

Com	plexity, Judgment and Problem Solving: Please select all that apply.
\boxtimes	Work of a relatively routine nature. Requires the ability to understand and follow instructions.
\boxtimes	Structured work, following a limited variety of standard practices.
\boxtimes	Generally structured work, but involving a choice of action within limits of standard policy and procedures.
	Generally diversified and moderately difficult work. Requires judgment in the adaptation and interpretation of established practices and
	procedures to meet problems and situations to which the application is not clearly defined.
	Typically difficult or complex work. Generally governed by broad instructions and objectives usually involving frequently changing
	conditions and problems.
l	Work requires the ability to plan and perform work in light of new or constantly changing problems, work from broad instruction, and deal
	with complex factors not easily evaluated. Decisions require considerable judgment, initiative, and ingenuity in areas there is little
	precedent.
	Work requires the ability to act independently in the formulation and administration of policies and programs for major departments or
	functions.
Supe	ervisory/Managerial: If applicable, select the appropriate level of responsibility.
	Level 1 General instructing, scheduling, and reviewing the work of others performing the same or directly related work. Acts as "lead
	worker". Functional supervision only.
	Level 2 Recommends personnel actions (hiring, termination, pay changes). Involves scheduling, supervision, and evaluation of work of
	employees who perform similar work assignments.
	Level 3 Scheduling, supervision, and evaluation of work as a "manager" of the first line supervisors; or perform supervision of workers who
	perform distinct and separate blocks of work.
	Level 4 Scheduling, supervision, and evaluation of work as a superior of "managers". Administers through subordinate managers,
	departmental multi-function programs or operations.
Ш	Level 5 Scheduling, supervision, and evaluation of work as a superior of those in level 4.
