DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

From the Chief Deputy, Office of the Sheriff, requesting retroactive authorization to amend and extend the Intergovernmental Cooperation agreement with Racine County to provide temporary housing of Certain Milwaukee County Jail Occupants From December 31, 2022, to December 31, 2023.

File 22-992 was approved by the County Board in the September cycle that included the intergovernmental cooperative agreement between Milwaukee County and Racine County for the temporary housing of Jail occupants.

Approved in the resolution in file 22-992 was a \$497,000 fund transfer from the unallocated contingency fund. MCSO does not anticipate spending the entire allotment of funds by December 31, 2022 and will carry the remainder over to 2023. The estimated carryover of funds to 2023 is \$192,870 and no other funds are being requested at this time. MCSO will continue to work with the CRC to transfer occupants as staffing levels improve.
