DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. Approval of this resolution would provide \$896,500 in American Rescue Plan Act (ARPA) funds to support the salary and fringe benefit costs of the following positions of Senior Accountant, Contract Services Coordinator, Enterprise Project Manager and Quality Assurance Coordinator related to ARPA managed projects within DHHS.
- B. Approval of this resolution would allocate \$896,500 out of Milwaukee County's ARPA award amount of \$183,417,734. Specifically, the \$896,500 would be allocated from the \$7 million Fund Administration Expenditure Category.
- C. The accompanying resolution authorizes the Office of Strategy, Budget and Performance and the Office of the Comptroller to claim time reported salary and fringe benefit costs up to \$896,500 starting January 1, 2023 until December 31, 2026.
- D. Once the ARPA grant award ends, it is assumed these positions would be absorbed into the DHHS budget and offset by vacancies in the department or another funding source will be identified.
