Re: No Parking Request for S. 13th Street

Mr. Murphy:

The City of Oak Creek would like to request No Parking, No Stopping, No Standing along S. 13th Street from W. Lois Lane (approximately 3,000 ft south of Hwy 100) to W. York Street (approximately 3,500 ft north of Hwy 100).

This segment of S. 13th Street was recently reconstructed to a four-lane urban section, without on-street parking. Since the completion of the reconstruction project, semitrucks have been parking/stopping/standing within the travel lanes. Included are photos taken from a resident along S. 13th Street looking east. The City has discussed the safety concerns internally and feel this is an appropriate installation.

The City appreciates your consideration regarding the request to restrict parking, stopping, and standing along S. 13th Street from W. Lois Lane to W. York Street.

If you should have any questions, please feel free to contact me at msullivan@oakcreekwi.gov or (414) 766-7000.

Sincerely,

Matthew J. Sullivan, PE
City Engineer

Enclosure
