

MILWAUKEE COUNTY JOB EVALUATION QUESTIONNAIRE

This form is designed to assist you in describing your departmental job. You are asked to fill this form out to outline the essential duties and responsibilities; and identify the knowledge, skills and abilities required to successfully perform the job. This form is used to request new job classifications, review current classifications, reclassifications, reallocations, and general updates to the job description. **Note:** It is the job that is being evaluated, not the position/incumbent. Thank you for your cooperation.

GENERAL INSTRUCTIONS:

Department (High Org):

1. Before beginning, please look over the entire questionnaire. Each question should be answered completely and accurately. If a question does not apply to this job, please indicate "N/A" (Not Applicable).

Division (Low Org):

4316

2. To complete the questionnaire, please type and/or select your responses.

4300

3. If you wish to make additional comments, please use the space available in the "Additional Comments" section on page 6 of this questionnaire.

G. JOE	S COMPETENCIES
Inter	nal Contacts: Please select all that apply.
\boxtimes	Contact with employees or others primarily at a routine level involving basic information exchange.
\boxtimes	Contact with peers and others involving explanation of information (these contacts may be within or outside department or division), and the gathering of factual information. May include the communication of sensitive or confidential information.
	Contact across departments or divisions with employees involving persuasion of others, absent formal authority, to conform to a policy interpretation or recommended course of action.
	Contact that requires a high degree of authority in securing understanding and cooperation of multiple departments or interests.
Exter	rnal Contacts: Please select all that apply.
	No contact with people outside the organization.
\boxtimes	Limited external contact to: gather information, answer queries, or ask assistance.
\boxtimes	Frequent external contact to: gather information, answer queries, or ask assistance.
	External contact involving a requirement to maintain a continuing external working relationship with individuals, or organizations.
	External contact involving the initiation and maintenance of relationships that can have a significant effect on the success of the
	organization.
Com	munication Skills: Select the level of language (ability to read, write and speak needed to successfully accomplish the essential duties of the
job.)	Please select all that apply.
\boxtimes	Read, write and comprehend simple instructions, short correspondence and memos.
\boxtimes	Read and interpret safety rules, operating/maintenance instructions and procedure manuals.
	Write routine reports, correspondence, and speak effectively before both internal and external groups.
\boxtimes	Read, analyze, and interpret business manuals, technical procedures and/or government regulations.
	Read, analyze, and interpret scientific and technical journals, financial reports and legal documents.
	Prepare and/or present written communications that pertain to controversial and complex topics.
Decis	sion-Making: Please select only one of the following:
	Requires minimal decision-making responsibility.
	Regularly makes decisions involving how a project or operation will be conducted (i.e. sequence or method), and generally from an available set of alternatives or precedents.
\boxtimes	Regularly makes decisions of responsibility, involving evaluation of information. Decisions may require development or application of alternatives or precedents.
	Regularly makes significant decisions and final results, typically affecting the entire department. Available guides or precedents are limited. Has authority over the allocation of resources.
	Significant responsibility for decisions and final results, affecting more than one department or a department with multiple units. Substantial analysis is required and many factors must be weighed before a decision can be reached.
	Major responsibility for decisions and final recommendation, which may result in the formulation of strategic plans of action to achieve the broad objectives for the organization.
	Primary work responsibility involves the long-range future including the scope, direction and goals of the organization.

Com	plexity, Judgment and Problem Solving: Please select all that apply.
\boxtimes	Work of a relatively routine nature. Requires the ability to understand and follow instructions.
\boxtimes	Structured work, following a limited variety of standard practices.
\boxtimes	Generally structured work, but involving a choice of action within limits of standard policy and procedures.
	Generally diversified and moderately difficult work. Requires judgment in the adaptation and interpretation of established practices and procedures to meet problems and situations to which the application is not clearly defined.
	Typically difficult or complex work. Generally governed by broad instructions and objectives usually involving frequently changing conditions and problems.
	Work requires the ability to plan and perform work in light of new or constantly changing problems, work from broad instruction, and deal with complex factors not easily evaluated. Decisions require considerable judgment, initiative, and ingenuity in areas there is little precedent.
	Work requires the ability to act independently in the formulation and administration of policies and programs for major departments or functions.
Supe	ervisory/Managerial: If applicable, select the appropriate level of responsibility.
	Level 1 General instructing, scheduling, and reviewing the work of others performing the same or directly related work. Acts as "lead worker". Functional supervision only.
	Level 2 Recommends personnel actions (hiring, termination, pay changes). Involves scheduling, supervision, and evaluation of work of employees who perform similar work assignments.
	Level 3 Scheduling, supervision, and evaluation of work as a "manager" of the first line supervisors; or perform supervision of workers who perform distinct and separate blocks of work.
	Level 4 Scheduling, supervision, and evaluation of work as a superior of "managers". Administers through subordinate managers, departmental multi-function programs or operations.
	Level 5 Scheduling, supervision, and evaluation of work as a superior of those in level 4.
