DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Approval of this resolution would authorize the creation of 2.0 FTE Treatment and Resource Navigators in paygrade 22.
 - B. The Opioid Settlement funding of \$481,570 appropriated to Housing Services for its Homeless Outreach Project supports the salary, social security and active fringe benefit costs of both positions starting as of pay period 12 (May 29, 2023) to December 31, 2025.
 - C. For 2023, the total annual cost would be \$74,201 assuming a salary at the higher range and social security for both positions as of pay period 12 in 2023. The ongoing annual salary and social security cost is \$128,615 for both positions. In addition, active fringe benefit costs associated with this position would also be reimbursed.
 - D. The Homeless Outreach Project is authorized starting January 1, 2023 through December 31, 2025. It is assumed that these positions would be absorbed into the DHHS budget and offset by vacancies in the department or another funding source will be identified.
