DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. Approval of this resolution will provide a total of \$262,500 in ARPA funds for the Mentoring Mindsets project. MENTOR Greater Milwaukee (MGM) will offer community workshops and trainings around the importance of youth mentoring in our communities under a contract for \$250,000. The Milwaukee County Department of Health and Human Services (DHHS) – Children and Family Services (CYFS) will be the lead point of contact and provide staff support and receive \$12,500.
 - B. Approval of this resolution would allocate \$262,500 out of Milwaukee County's ARPA award amount of \$183.7 million. Specifically, the \$262,500 would be allocated from the \$40,415,339 Community Support Expenditure Category.
 - C. Costs are anticipated to be incurred effective March 27, 2023. Funding for the project will be disbursed from the County's allocation of ARPA funds to fully offset the costs with no additional impact to the tax levy. The accompanying resolution authorizes the Office of Strategy, Budget and Performance and the Office of the Comptroller to process an administrative appropriation transfer of \$262,500 to direct funds to DHHS for the Mentoring Mindsets program starting March 27, 2023 and continuing while ARPA funds remain available for use. This transfer would increase expenditures and revenues to fund 10024, agency 800 and low org 0981.
 - D. No assumptions or interpretations were made.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.

² Community Business Development Partners' review is required on all professional service and public work construction contracts.
