In-Progress Report

- 486 in-person attendees so far
- 27 attendees per meeting
- Average attendance has increased greatly each month this summer
- About 650 pieces of feedback so far

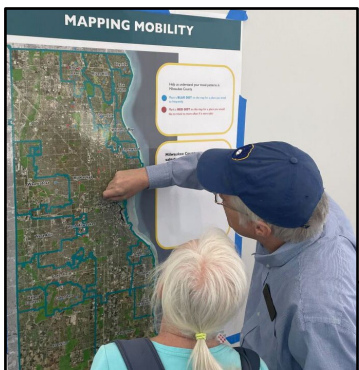

Key Takeaways

- Drivers are changing behavior and travel patterns (driving less, different routes)
- Residents would feel safer if...
 - More people used other modes
 - Vehicles slowed down
 - Rules were understood
 - Streets were designed for people instead of vehicles
