Enforcement Number	Address/ Parcel Number	Category	Date Filed	Status	Next Action	Next Action Date	Date Closed
EN21-0146	7044 S BALLPARK DR 744 1007 000	Zoning	05/27/2021	Closed - No Violations			05/27/2021
<p>Milkman game can be heard clearly at 9011 west hawthorne Extremely loud throughout Hawthorne neighborhood. Equal protection under the law should allow all residents to have quality of life and quiet enjoyment. City ordinances regarding this public nuisance need to be examined and all ordinances enforced. The announcer is so disruptive and loud.</p>							
EN21-0155	7044 S BALLPARK DR 744 1007 000	Zoning	05/29/2021	Closed - No Violations			07/06/2021
<p>Intrusive noise coming from the Rock. I can't even sit in my living room with the front door open b/c I can hear all the goings on from The Rock.</p>							
EN21-0156	7044 S BALLPARK DR 744 1007 000	Zoning	05/29/2021	Closed - No Violations			07/06/2021
<p>THE ROCK Loud music and PA system.</p>							
EN21-0157	7044 S BALLPARK DR 744 1007 000	Zoning	05/29/2021	Closed - No Violations			07/06/2021
<p>The noise pollution coming from the Ballpark Commons Development is extremely loud and disruptive to my family. It is intolerable. The announcer is so loud I can hear it inside my home. For the Bon Jovi event the speaker pointed at this neighborhood was turned down or off. It was NOT disruptive. Why is that not being done now? The noise should be pointed inside where the spectators want to participate in the activities. It should not be pointed out from the stadium or other venues. It seems to be getting louder throughout the evening.</p>							
EN21-0158	7044 S BALLPARK DR 744 1007 000	Zoning	05/29/2021	Closed - No Violations			07/06/2021
<p>I do not see anything on the Milkman / Rock etc schedule for this early. There is an amplifier being used for music and the announcer. The noise can be heard clearly over 1/2 mile from the stadium and almost a mile from the little league fields at my home. This neighborhood should have the same courtesy as others regarding not being disrupted from noise for hours and hours almost everyday for nearly 6 months of the year. Property taxes require equal protection and compliance with all city ordinances and quiet enjoyment of our homes. I thought one of the requirements of the development agreement is publication of all events that could be disruptive at the development. Where is the information about the amplified noise going on most of today? There is a Milkman game at 6 with fireworks after but I do not see anything for 10:30 today and ongoing.</p>							
EN21-0153	7044 S BALLPARK DR 744 1007 000	Zoning	06/01/2021	Closed - No Violations			07/06/2021
<p>The fireworks show at the Rock Sports Complex is too loud and occurring too late for that kind of noise (show lasted to about 20:14). Please have them use fireworks that produce less exploding noise. There's really no reason to be launching fireworks that produce loud exploding noises unless you're intentionally trying to be disrespectful.</p>							
EN21-0154	7044 S BALLPARK DR 744 1007 000	Zoning	06/01/2021	Closed - No Violations			07/06/2021
<p>It is 10:00pm and there are fireworks at Ballpark Commons. I have three young children who are already in bed and trying to sleep and the noise is upsetting our dog. Why are these fireworks starting so late at night? There are thousands of families surrounding Ballpark Commons. This is completely inconsiderate and selfish of Ballpark Commons and for the City of Franklin to approve. These fireworks events need to be stopped.</p>

01/12/2023

Enforcement Number	Address/ Parcel Number	Category	Date Filed	Status	Next Action	Next Action Date	Date Closed
EN21-0161	7044 S BALLPARK DR 744 1007 000	Zoning	06/02/2021	Closed - No Violations			06/10/2021
<p>Inside my home, with the windows shut, I can hear the event occurring at the Roc sports complex. My four children who are all under the age of 10 are trying to sleep. EN21-0168	7044 S BALLPARK DR 744 1007 000	Zoning	06/04/2021	Closed - No Violations			06/10/2021
<p>Good evening -- I live 2 miles away from the Rock / Ballpark Commons and I can hear the live music tonight. Please turn the music down and be considerate of your neighbors. I shouldn't be able to hear it from 2 miles away and be forced to participate in their events.</p>							
EN21-0169	7044 S BALLPARK DR 744 1007 000	Zoning	06/07/2021	Closed - No Violations			06/10/2021
<p>There is live music at The Rock / Umbrella Bar tonight and it has been loud for several hours now. I live 2 miles away and should not be forced to participate in this event. When is Franklin going to properly monitor sound and its effects on the surrounding suburbs? When will Franklin enforce ALL their sound ordinances? It is disappointing that the developer and Franklin are choosing to do what is in their best interest at the expense of the thousands of families surrounding this development.</p>							
EN21-0185	7044 S BALLPARK DR 744 1007 000	Zoning	06/14/2021	Closed - No Violations			07/06/2021
<p>Too loud of volume , yelling into the microphone/ amplifier that effects my quality of life in my back yard, robbing me of enjoyment due to the constant amplified announcers voice in my back yard and inside of my home as well!</p>							
EN21-0257	7044 S BALLPARK DR 744 1007 000	Zoning	07/14/2021	Closed - No Violations			07/29/2021
<p>During every single ballgame at Franklin Field, I have had to listen to the announcer blast his voice into my yard and my house. This year it is even worse because there is a big echo effect. This past weekend (7/10-7/11) it was REALLY BLARING, plus, on Saturday, 7/10, the bass sound from the Umbrella Bar, for 4-5 hours and extremely loud, entered every corner of my two-story house (that happened once before, in June, and then I even heard it in the shower!) Whatever happened to the assurances given by the common council to the Hawthorne Lane neighbors late last summer that steps would be taken to control the sound?</p>							
EN21-0259	7044 S BALLPARK DR 744 1007 000	Zoning	07/15/2021	Closed - No Violations			07/29/2021
<p>This complaint was sent by Curtis from the police deparatment. Noise complaint, canhear inside the house the baseball game going on and upsetting to the caller who states he lives residential area and shouldn't have to deal with noise from baseball game. Requesting squad.</p>							
EN21-0261	7044 S BALLPARK DR 744 1007 000	Zoning	07/19/2021	Closed - No Violations			07/29/2021
<p>First it was the baseball game's announcer is EXTREMELY LOUD is it really necessary to have the volume SO loud?? The people attending the game must go home with ringing ears! It now after 9:00pm whatever's going on now other than baseball, my windows are closed and I can hear the clatter inside of my sacred home that you are invading!!!!!!!!!!!!</p>							

# Enforcement List

01/12/2023

Enforcement Number	Address/ Parcel Number	Category	Date Filed	Status	Next Action	Next Action Date	Date Closed
EN21-0263	7044 S BALLPARK DR 744 1007 000	Zoning	07/19/2021	Closed - No Violations			07/29/2021
<p>The noise from the Franklin Field stadium is so incredibly loud in our yard and we are over 1/2 mile away. When it's bad, we cannot have conversations without shouting over the noise. There are speakers facing directly at our neighborhood. One speaker is facing out of the stadium, away from fans, West out over the ticket booth and directly at our house and my son's bedroom window. Why is this allowed to continue? You can hear clearly in the video because we are subjected to the sound that is should be directed into the stadium, not at our residence. See attached video/audio. The sound ordinances clearly are inadequate and the speaker arrangement is negligent. This Stadium meets the legal definition of a public nuisance, "A nuisance is an unreasonable activity or use of property that interferes substantially with the comfortable enjoyment of life, health, or safety of others. State v. Quality Egg Farm, Inc. 104 Wis. 2d 506, 311 N.W.2d 650 (1981)."</p>							
EN21-0265	7044 S BALLPARK DR 744 1007 000	Zoning	07/19/2021	Closed - No Violations			07/29/2021
<p>There is a speaker projecting out Franklin Field away from fans and directly toward our home. It's so loud and clear that it sounds like we are in the stadium and we cannot have conversations at reasonable tones when in our yard. My children cannot sleep when this happens after 8:30 PM, even with their windows closed. There are also no exceptions for school nights and we have made Franklin Schools, Superintendent, and the School Board aware. See images for the speaker that faces directly out of the stadium and at our homes, just beyond the trees in the image. Since the City of Franklin is a partner in this Stadium, why is the City of Franklin subjecting us to this? The City of Franklin is participating in an activity that meets the definition of a public nuisance and keeps its children awake at night.</p>							
EN21-0275	7044 S BALLPARK DR 744 1007 000	Zoning	07/23/2021	Closed - No Violations			07/29/2021
<p>Excessive noise from Milwaukee Milkmen game at Franklin Field. Announcer(s) were extremely loud throughout the game. I could hear EVERY word loud and clear when sitting in my backyard. EN21-0284	7044 S BALLPARK DR 744 1007 000	Zoning	07/30/2021	Closed - No Violations			07/30/2021
<p>The noise is disruptive to my family. The announcer just said minutes ago "we need you" and something then "Everybody get loud." The crowd noise is not the issue tonight. The announcer also mentioned the pregame tomorrow and Fireworks tomorrow night. The speaker system at this development is not correctly designed acoustically for this entertainment complex abutting residential homes. The cow noises; the announcer are obnoxious for hours. This has been going on since 6:30 pm inside my home. I am unable to be outside on my patio during any of the nearly 60 games at the stadium plus the live music events at the umbrella bar for many additional nights. It feels like there is always some noise pollution coming from this development. Noise pollution could be heard on the Whitnall golf course earlier this evening.</p>							
EN21-0285	7044 S BALLPARK DR 744 1007 000	Zoning	07/30/2021	Closed - No Violations			07/30/2021
<p>The noise from this facility is echoing in this neighborhood. Allowing this to operate at 34 decibels above any other residential district is 1,000 times louder (sound is logarithmic equation) is negligent by the City. I should not have to listen to the baseball game play by play INSIDE my home 1/2 mile from the stadium. Quality of Life, what an inaccurate slogan for the City. The City is willing to not only tolerate but even partner and pay for the destruction of quality of life for hundreds of people around this facility. This development the City allows to operate at 14 decibels even above the airport and manufacturing districts. This is negligent behavior that has been going on for almost a decade. Where is the equal protection under the law? The City ordinances should be enforced. This is a public nuisance and harms those surrounding the facility for hours each event.</p>

EN21-0286	7044 S BALLPARK DR 744 1007 000	Zoning	07/30/2021	Closed - No Violations			07/30/2021
<p>Overly, extremely LOUD announcer, yelling enough to disturb and annoy people living within the area. WAY TOOOOO LOUD?? We have to all get along and you're not holding up your end.</p>							
EN21-0288	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Abated			08/02/2021
<p>Loudspeaker noise from 6:30 to 11:30 Fireworks started after 11:00.. ridiculous</p>							
EN21-0289	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Merged with ot			08/02/2021
<p>The ongoing noise especially fireworks going off after 11 o'clock in a residential area my quality of life is being compromised on a daily basis because of your lack of action to suppress the noise coming from the rock that is filtering through the neighborhoods off of Rawson Avenue</p>							
EN21-0290	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Merged with ot			08/02/2021
<p>Seriously, fireworks AFTER 11:00 at night? What is wrong with you people? I have NO quality of life with the Rock's extremely poor discussion making process??</p>							
EN21-0291	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Merged with ot			08/02/2021
<p>There are extremely loud fireworks coming from this address at a very late hour. The facility obviously has no respect for their neighbors because they continue to do this. This is very disturbing and must be stopped. There is no reason for this to continue.</p>							
EN21-0292	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Abated			08/02/2021
<p>The announcer / game has been extremely loud today. The fireworks STARTED after 11 pm. I thought the fireworks to meet the permit needed to END by 10 PM. The fireworks woke my children up. This is ridiculous. The police department "logs" complaints but listing 20 names under ONE compliant, because it is one location even though it is over the span of 5 hours. This is unfair to the hundreds of tax paying citizens surrounding this facility to disrupt our lives for hours everyday. This is negligent and culpable for the City to allow this to continue for the 3 baseball seasons and the 9 years this has been going on with the umbrella bar. This is a public nuisance the City has created, partnered with and funds. When were fireworks approved to start after 11 pm. As part of this complaint I am requesting a reply with that information from the planning / zoning department. Please supply me with information regarding what meeting date allowed 11 pm fireworks.</p>							
EN21-0293	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Merged with ot			08/02/2021
<p>It is after 11:00pm, I live 2 miles away from The Rock, and The Rock Sports Complex is shooting off fireworks. Unfortunately, I expect the City of Franklin to look the other way as they always do with issues relating to The Rock.</p>							

# Enforcement List

EN21-0294	7044 S BALLPARK DR 744 1007 000	Zoning	08/02/2021	Closed - Merged with ot			08/02/2021
<p>Why in the hell would you grant fireworks permits to be setting off explosives at 11pm? Is it because it doesn't really bother Franklin residents since it's in the far north corner? Well I can tell you it DOES bother the GREENDALE residents who live (and try to sleep) right across the street from the ROCK Complex. How about a little consideration for your quiet neighbors to the north. Some of us actually need to get sleep at night.</p>							
EN21-0297	7044 S BALLPARK DR 744 1007 000	Zoning	08/03/2021	Closed - Merged with ot			08/03/2021
<p>SubjectofComplaint: On Friday 7/30/3021 at 11:03 Pm the ROC/Ball park commons started to fire off a approximate 20 min firework display, waking me from a sound sleep and jumping out of bed. Approximately 15 min later another single very loud sonic boom occurred. Also, the announcer was speaking very loud over the speaker system immediately after the firework display and before the sonic boom. See Current Results</p>							
EN21-0311	7044 S BALLPARK DR 744 1007 000	Zoning	08/16/2021	Closed - No Violations l			08/23/2021
<p>The Rock is having a concert tonight and the music is blaring and can be clearly heard from my house 2 miles away. I should not be able to hear anything going on at this facility from 2 miles away but I have for several years now. It was my understanding that the music and noise was not supposed to be an issue for any of the surrounding neighborhoods when this development expanded, yet the noise and music continues to be an issue. What is the City of Franklin doing to rectify this ongoing issue? Why are the neighbors surrounding this facility not protected equally from the noise and sound violations from this facility as other citizens in Franklin are? A sound study needs to be conducted as soon as possible.</p>							
EN21-0312	7044 S BALLPARK DR 744 1007 000	Zoning	08/16/2021	Closed - No Violations l			08/23/2021
<p>The noise from the Milkman game is so disruptive. It starts a half hour or more before the game and then continues after the game. Why does it need to be so loud that I can hear word for word what the Milkman announcer is saying, about players and promotions and the Moooo at my home. I should not be forced to participate in the game at my property. I am unable to have company over without being disrupted by this public nuisance for years. I can hear the extremely loud music and the announcer talking for hours. This neighborhood is impacted by the noise pollution from this venue. It is expected to be a beautiful evening with it cooling off. I can't open windows because of the noise to cool off my home. What economic impact is this having for the City when this development fights every property assessment so far? How does "entertainment" make money for this City subsidized project? Does the City get a % of beer sales or ticket sales? The City is the primary partner in this nuisance.</p>							
EN21-0330	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations l			09/02/2021
<p>635 Game. At 520 I can already hear announcer over the rain, they just talked about fly balls. Citizens should not be forced to participate and be adversely impacted by the noise from this facility for hours. It impacts our quality of life. Ordinance states "No Undue Adverse Impact. The proposed use and development will not have a substantial or undue adverse or detrimental effect upon or endanger adjacent property, the character of the area, or the public health, safety, morals, comfort, and general welfare and not substantially diminish and impair property values within the community or neighborhood" This standard has been violated for YEARS. The developer simply states "no undue adverse impact" BUT where is the evidence of that? There is plenty of evidence on the adverse impact of noise. This situation is beyond negligent by the City. Ordinances are being manipulated as a result of the extreme financial investment and partnership by the City with this development. See Current Results</p>							

# Enforcement List

01/12/2023

Enforcement Number	Address/ Parcel Number	Category	Date Filed	Status	Next Action	Next Action Date	Date Closed
EN21-0332	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations	l		09/02/2021

Please repoint the speaker(s) that face West/Northwest to help reduce the nuisance to the surrounding neighborhoods.</p>							
EN21-0333	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations	l		09/02/2021
<p>8/24/21 TOO LOUD, just plain earth shattering noise. Can't you just get along with your neighbors??</p>							
EN21-0334	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations	l		09/02/2021
<p>8/26/21 - I attended the UDO meeting tonight. Rock loud from 5 pm until now (family said loud) they just said #9 Tyler Hill at the goal line or something like that then the MOOing. Why don't the Plan staff come to this neighborhood, get out of their car and stand at the corner of 90th &amp; Hawthorne, and corner of Meadow/90th and then East Meadow stop sign. Or walk through this neighborhood when there are events going on. The constant dismissive attitude of the City that the noise is acceptable and idea that it is not "constant" because it is for a minute, then quiet, then a minute, then quite is beyond negligent and an abdication of safeguarding this neighborhood or even following any reasonable standard for noise. If I could submit a recording from my home I would. This is beyond offensive to allow the Rock to destroy my quality of life. The health department staff, the planning department should be required to come here without letting the developer know to gain perspective.</p>							
EN21-0335	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations	l		09/02/2021
<p>8/26/21 - The noise from the Ballpark is so insanely loud inside our home. This has happened the past two evenings and kept our children awake. These are weeknights. Why does the city allow the stadium to have a speaker that faces directly out of the stadium toward our neighborhood and my children's bedrooms. This speaker plays at the same volume as the others in the stadium. We can hear every word the announcer makes clearly from within our homes with the windows closed. Why is this allowed to continue? The police say they would respond if a neighbor was doing this and give them a citation. However, they have been directed to not respond to noise complaints as directed by someone at the City. The City, a partner in this development and this activity. Please have them remove the speaker that faces out of the stadium, away from paying customers and directly at my son's bedroom window. We have complained for three years, yet this is allowed to continue. Why?</p>							
EN21-0337	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - Abated			09/02/2021
<p>8-27-21 - The announcer is just way too loud! It's not at all necessary to be amplified so loud. When your at Franklin Field the sound system is extremely loud, it's just not required to be so loud and becoming a bad neighbor with disregard of the surrounding noise level of homes in that area.</p>							

# Enforcement List

Enforcement Number	Address/ Parcel Number	Category	Date Filed	Status	Next Action	Next Action Date	Date Closed
EN21-0338	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - Merged with ot			09/02/2021
<p>8/27/21 - Friday the West sound monitor should have record of announcer talking 5:30 pm until 9:30 exceeding the regulations for residential districts. Game posted to start at 6:35. Hours of noise disrupt this residential district. As noted on the City professional staff report the receiving district not the source determines the decibel level for the property boundary. The city has a legal duty to enforce equal standards for all residents. But City shows bias and selectively refuses to enforce this area that the City is the partner in this public nuisance. The City is abdicating any protection of citizens within miles of this project. Just some snapshot examples of the noise from 530 to 930 from my home: 530 heard promotions and announcer, 7:44 male announcer then female voice used the amplification system. 9 pm was the 'everybody dance song", later on behalf of producer, Paul. Unwanted noise impacts this area for hours everyday from this facility. The noise is valid, real and disruptive.</p>							
EN21-0339	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations ]			09/02/2021
<p>8/28/21 - The music coming from the Rock Facility is too loud. I live a mile away and I can hear it clearly when in my home with the windows closed. I've contacted the police twice this evening to notify the police of the excessive noise. Please do something more about the level of noise please. Maybe they could take more measures to keep the noise on the property. Perhaps an enclosed venue. No other business would get away with putting out the level of noise they do. Have some respect for your neighbors. I would really appreciate someone contracting me to let me know how you plan on fixing this situation that you've allowed to get out of hand.</p>							
EN21-0340	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations ]			09/02/2021
<p>8/28/21 - The music at The Rock / Umbrella Bar tonight is extremely loud!!! I live 2 miles away and can hear everything word for word. Inside my house the bass from the music can be heard over the sound of the TV. My youngest daughter is sick and is even complaining about the sound. Why is everyone in a 2-3 mile radius being forced to participate in this concert? Why does Franklin the City of Franklin look the other way and continue to do nothing about the sound? Please let me know what you will be doing to address this public nuisance going forward. Hearing music from 2 miles away is completely unacceptable.</p>							
EN21-0341	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations ]			09/02/2021
<p>8/29/21 - The Band at the umbrella bar and the PA system for the Milkmen's game was loud as if it was in my yard.</p>							
EN21-0342	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations ]			09/02/2021
<p>8/29/21 - Excessive noise in consideration for the adjoining neighbors disrupting the quality of life</p>							
EN21-0343	7044 S BALLPARK DR 744 1007 000	Zoning	08/30/2021	Closed - No Violations ]			09/02/2021
<p>8/28/21 - The Rock is a public nuisance. Code 178 "A public nuisance is a thing, act, occupation, condition or use of property, or property or premises upon which its occupant(s) commit public nuisances, which shall continue for such length of time as to: A. Substantially annoy, injure or endanger the comfort, health, repose or safety of the public. B. In any way render the public insecure in life or in the use of property" Petitions submitted to the City indicate the destruction of repose expressed since 2014. Hours of impact and Issues have only been compounded and ignored even more since then. The concerns are valid. The PDD states "no undue disturbances of adjacent uses." this requirement has been stated for this project. Where is the acoustic engineer expert to verify this for 100's of broadcast events? The PDD states "shall employ superior sound systems as to minimize potential adverse impacts upon adjacent properties" Where is "superior sound system" specifications and design?</p>

<p>I can clearly hear music coming from The Rock tonight from 2 miles away. This has been an ongoing problem for several years now. When is the City of Franklin going to address this issue? It is also my understanding that one of the sound monitors is not even functional for accurately recording sound violations. When is the sound study going to happen to correct this and many other noise issues with The Rock?</p>

<p>The noise coming from the music playing at the Umbrella Bar is too loud. Turn it down, enclose it, point the speakers due south toward Franklin. Just do something because wherever you have the sound meters set up, they are not either accurately capturing the sound or you are allowing them to play music too loud.</p>

<p>I live 2 miles away from The Rock / Umbrella Bar and I can clearly hear the concert there tonight from my house. This is unacceptable. Why is everyone within 2 miles of this development being forced to participate in their events? With the beautiful weather today we would like to enjoy a peaceful evening outside, but unfortunately, The Rock does not care about anyone but themselves, nor does the City of Franklin. It's a shame that neither has respect for the surrounding neighbors.</p>

<p>I live 2 miles away from The Rock / Umbrella Bar and I can clearly hear the concert there tonight from my house. I took my dog for a walk in the neighborhood this evening, but it was not enjoyable because all I could hear was the music from The Rock / Umbrella Bar. This is unacceptable. With the beautiful weather today I would have liked to enjoy a peaceful evening outside, but unfortunately, The Rock does not care about anyone but themselves, nor does the City of Franklin. It's a shame that neither has respect for the surrounding neighbors or communities.</p>

<p>The noise from this facility is a public nuisance in violation of Ordinance 178. It is unacceptable that the City had done nothing to enforce a reasonable standard at this facility. Even the Planning Department report 12-1-2020 indicated that the correct decibel level at the property line is the receiving district. And yet that is not enforced. There is no real time monitoring and adjustment of volume. The decibel monitors are set at 65 decibels which is 15 to 20 decibels above what they should be. Question: I heard the monitor reports are not even examined until after the weekend or after the events, sometimes days later so how is that "real time monitoring / adjustment" as was presented at the County meetings regarding this development? Question: who at the City approved the 79 decibels for 30 minutes and reviewed the Exhibit C noise and light document in mid 2017? The song they are singing at the umbrella bar right now is Whoomp there it is. Please supply answers to email.</p>

<p>The Hills Have Eyes event at The Rock is extremely loud tonight. From 2 miles away in my neighborhood, all sorts of sound effects and a person on a loudspeaker occasionally can be clearly heard. Please start holding The Rock accountable to all the sound ordinances in place rather than continuing to look the other way. I hope this isn't just the beginning of what to expect for the next month. Very disappointing that The Rock continues to be a horrible neighbor.</p>

<p>The Rock is having The Hills Have Eyes event and there is a consistent stream of horn sounds blaring throughout the night. Additionally there is an announcer whose voice is being amplified or broadcast. This can all be heard from 2 miles away and needs to be stopped.</p>							
EN21-0429	7044 S BALLPARK DR 744 1007 000	Zoning	10/25/2021	Closed - No Violations	l		10/27/2021
<p>From my home, 2 miles away, I can clearly hear bass noises, sound effects, and horns blaring from The Rock's Hills Have Eyes event. It is after 10:30pm and their noise is not at an acceptable level for the middle of the suburbs. I have young children that need to get some sleep. It's unfortunate that the City of Franklin and The Rock do not care about anyone but themselves.</p>
