## DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. Section 301.031 of the Wisconsin Statutes requires counties to execute an annual contract with the State Department of Children and Families (DCF) for the “Community Youth and Family Aids Program.” This program provides State funding for County services to justice-involved youth as mandated by State and/or Federal law. The Director, Department of Health and Human Services (DHHS), is requesting authorization to enter into a 2024 contract with the State for the provision of youth justice services mandated by State law.

B. The 2024 contract provides \$41,927,947 in Youth Aids funding, which is \$59,424 lower than budgeted in 2024. This amount will be absorbed in the CYFS 2024 Budget.

C. Similar to previous years, the 2024 contract for Community Youth and Family Aids Program requires a match amount of \$511,882 which is included in the 2024 CYFS Budget in agency 800. In addition, the contract requires a match of \$4,356,000 for Title IV-E administered by the Combined Court Related Operations and this match is included in the budget for agency 200 – Combined Court related Operations.

D. No further assumptions are made. The revenue amount is reflected in the State contract.
