## DESCRIPTION OF FISCAL EFFECT

**In the space below, you must provide the following information. Attach additional pages if necessary.**

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Acting Director of the Department of Health and Human Services (DHHS) is requesting authorization to execute 2012 Delinquency and Court Services Division (DCSD) Professional Service contracts.

Approval of this request will allow then Acting Director of DHHS to execute Professional Service contracts for Detention Center Medical and Mental Health Services to ensure necessary care and safety, and provide support for the Youth Sports Authority for the period January 1, 2012 through June 30, 2012. The Department intends to seek some extensions of these six-month contracts in Spring 2012, once the extent of further cuts by the State to Youth Aids becomes clear and based on the fiscal impact of that State reduction.

Approval of this request will also allow the Acting Director of DHHS to execute a Professional Service contract to provide support for the Safe Alternatives for Youth for the period January 1, 2012 through December 31, 2012 and for the Targeted Re-entry program for the period January 1, 2012 through September 30, 2012, contingent upon the continued availability of OJA grant revenue.

B. Total 2012 expenditures included in this request are \$354,166.

C. There is no tax levy impact associated with approval of this request in 2012 as funds sufficient to cover associated expenditures are included as part of DCSD's 2012 Budget Funding for the Targeted Re-entry program is contingent upon the continued availability of \$53,088 in Wisconsin Office of Justice Assistance (OJA) grant revenue.

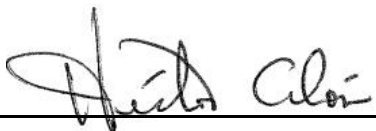

D. No assumptions are made.

---

<sup>1</sup> If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
