DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Director of the Department of Health and Human Services (DHHS) is requesting approval of the updated Housing Choice Voucher Program (HCVP) Administrative Plan for the DHHS Housing Division. The purpose of the Administrative Plan is to establish policies for carrying out the program in a manner consistent with U.S. Department of Housing and Urban Development (HUD) requirements and also incorporate goals and objectives specific to the local program. The Administrative Plan is the core of the program, providing consistency, clarity and guidance for the participants, program staff and the community.

B. There is no direct fiscal impact resulting from approval of the Administrative Plan. The current HCVP Administrative Plan was drafted and adopted in 1999. An updated plan was recommended by members of the local HUD field office and Milwaukee County's Audit Department in a 2010 audit.

C. There is no 2012 tax levy impact associated with approval of this request.

D. No further assumptions are made.
